

In Our Opinion . . .

Everybody Benefits From A Good Library

A joint committee of the Friends of the Library and the Farmington Library Board has been proposed to study the problem of expanding City library facilities.

Such a proposal was defeated in the last millage election for funds for this purpose. City residents would not vote on any forthcoming millage issue because under contract arrangements, the City is obligated to match whatever the Township's appropriation would happen to be.

Despite the handicap of inadequate space, the present Library has the highest per capita book circulation of nearly 33 libraries in the Wayne-Oakland area.

The staff under Mrs. Mildred Droege is to be praised for keeping pace with the growing community.

But the community continues to grow.

Greatly needed is an enlargement of the present South Library or a new facility on a new site at a cost of \$293,000.

Greatly needed is additional room to house a book collection of 180,000 volumes, proposed to meet Farmington's growth.

Greatly needed is expansion of present library space from 3,800 square feet to 22,000 or 30,000 square feet for two buildings.

And greatly needed is enough interest on the part of residents to get these things in motion toward reality.

Everybody benefits from a good library. Although Farmington now has one of the best, it cannot maintain its good image or its service if the community does not back it in its effort.

Holidays Are Hungry Days For Some

This is the season we watch the calendar — just so many days left for shopping, for mailing Christmas cards, for arranging holiday parties with our families and friends.

To half the people on earth, dates mean nothing. Tomorrow will be like today and yesterday — days of hunger and suffering. World leaders warn that the gap between food supplies and people in the underdeveloped countries may lead to mass starvation. The United Nations Food and Agriculture Organization says: "The world food situation is now more precarious than at any time since the period of acute shortage immediately after the Second World War."

The holiday-season CARE Food Crusade appeal offers a way for Ameri-

cans to help, with gifts in the true spirit of goodwill and concern for mankind. By combining public contributions, U. S. donations of farm foods and host government support toward local costs, CARE seeks to feed 40,000,000 persons in 32 countries during the coming year, in the name of the American people.

To complete this plan CARE needs \$6,500,000, to provide 6,500,000 food packages at a dollar per package. The gifts will nourish famine victims in India, war victims in South Vietnam, helpless children and despairing adults on four continents from Latin America to Africa. You can turn their hungry days into days of new life and hope. Mail your check to: CARE Food Crusade, Guardian Building, Detroit, Mich. 48226.

God Bless Us, —Everyone!

PUBLIC LETTER BOX

Dear Students,
You know, when you have nurtured an idea along for some time with little hope of it ever materializing, and suddenly it takes form, the resulting satisfaction is quite fulfilling. But when that idea not only becomes a reality, but is a tremendous success as well, the feeling is, in fact, beyond expression. Such was the case of this year's Goodfellow Benefit Dance.

Even more impressive, some 800 students turned out to support the Goodfellow cause despite the ice, snow and slush which were a part of that winter or blizzard which hit town last weekend. Needless to say, this is a noble expression of concern for the welfare of Farmington's needy families; one which, I hope, will indicate to the citizens of this community the true character of many of Farmington's young people.

Social praise, I feel, should be given to FHS students who are the first recipients of the Goodfellow — Enterprise — Observer Letter of Commendation. Perhaps the unselfishness exhibited by the 425 Farmington Senior High students who ignored the weather that night will serve notice to the indifferent and skeptical that someone does indeed "care." At the very least, the knowledge that they helped brighten the Christmas of close to 200 families should add warmth and cheer to their own holiday season. What is it they say: Virtue is its own reward?

In closing, let me say that I am most grateful to the future of the "Shy-Guys" to show and perform live as promised. I can only tell you that they committed themselves to Jim Hampton and then seemingly, forgot all about us. Once again, many thanks to the Goodfellows; your help was greatly appreciated.

Merry Christmas,
Terry Frisco

ROBERT POWER (first) and Mrs. Emory Hutton were among the 30 who attended the third annual Farmington Historical Society Christmas Party at the Simmons-Lorion House on 12-Mile Road. Power is a descendant of the Arthur Power, who founded Farmington. The Hutton name is familiar to those who recall the Hutton Hardware on Grand River Ave.

Historians Mark Old Time Yule

Approximately 30 persons inaugurated the holiday season at the third annual Old Fashioned Christmas Party of the Farmington Historical Society December 7.

The party was held at the Simmons-Lorion House, 12-Mile Road. Mrs. Lillian Goodwin, Mrs. Robert Power, Mrs. Paul Schrieber, Mr. Richard Tyler, Mrs. Clarence Stoll, among others, assisted in the decoration of the Christmas tree with popcorn and cranberry roping.

Mrs. Lyman Bush and Mrs. Robert Grinager organized and assisted with the refreshments. These were served in the nineteenth century candle-lit dining room, still unaltered for electricity.

The 1861, early Victorian house is a Farmington landmark. Its gingerbread exterior or trim is a familiar sight to discerning travelers on 12 Mile.

Mr. and Mrs. Emory Hutton, a well-known family name in Farmington business history, showed some of their collection of old glass negatives and photos of early Farmington in the library of the museum.

On the opposite side of the house, carolers sang Christmas songs around the grand piano in the living room. Mrs. Paul Schrieber was at the piano.

Unable to attend were the president of the organization, Mr. Robert Briggs, who is vacationing in the Pacific Southwest, and Eugene Power and Philip Power, the latter, publisher of The Enterprise and Observer.

Meeting beneath the mistletoe brings good luck in the form of a kiss. Ancient peoples believed that mistletoe had a more positive control over luck, good and bad. A bit of mistletoe hung over a doorway was said to ward off evil. A later belief suggested that mistletoe could bring bad luck. If mistletoe brought up to the Christmas tree, it was not removed by Candlemas Eve (February 1); this belief holds that each leaf will bring forth a robin to remain for the rest of the year, harassing the household.

Trace Heritage To Ancient Times

A sprig of mistletoe, a holly wreath, an evergreen tree — these and other decorations of greenery come into homes at holiday time — and tradition harkens back to ancient times.

The "green Christmas" is an ancient custom, more universal than the "white" in friendly competition.

A later tradition says that spiny-leaved hollies are "he" hollies, while the smooth-leaved plants are "she" hollies. The kind of holly brought into the home at Christmas determines whether "he" or "she" will be head of the house for the coming year.

Mistletoe for Luck. Today, a meeting beneath the mistletoe brings good luck in the form of a kiss. Ancient peoples believed that mistletoe had a more positive control over luck, good and bad. A bit of mistletoe hung over a doorway was said to ward off evil.

A later belief suggested that mistletoe could bring bad luck. If mistletoe brought up to the Christmas tree, it was not removed by Candlemas Eve (February 1); this belief holds that each leaf will bring forth a robin to remain for the rest of the year, harassing the household.

The legend says that, during the flight into Egypt, Mary spread the Holy Infant's clothing on a rosemary bush to dry. At once, the bush became sweetly scented, and its pale white blossoms turned to a lovely blue.

GUEST-SPEAKER at the recent meeting of the Farmington Educational Secretaries at Topinka's Country House was Miss Irene Meyers, of Fort Wayne, Ind., (at left), who does personnel relations work with the General Electric Co., Fort Wayne. At the right is the group's president, Myrtle Zimmerman.

Secretaries Hear Fresh Trees Best Caution Against Fire

The Farmington Educational Secretaries met Wednesday evening, December 14, at the "Shy-Guys" to hear their annual Christmas party with dinner and a grab bag gift exchange. Approximately 60 members were present.

Miss Irene Meyers, of Fort Wayne, Indiana was the guest speaker. Miss Meyers has a speaker many years in personnel relations work with the General Electric Company in Fort Wayne. She was twice named Citizen of the Week, and the Pilot Club has designated, named her Woman of the Year.

Miss Meyers is a dedicated crusader for "Women Who Work," and urges all to give of themselves for "what we keep we lose, and what we give away is forever ours." She said that while the "Life is a Dutch Tree" we get out of it that for which we pay.

Section of I-75 Open to Traffic

A short section of I-75 in Oakland County has been opened to local traffic, the State Highway Commission reported.

Built at a cost of \$4 million, including right of way, the 1.4-mile section extends from the 14th mile north of Eight Mile Rd. to the Manistee St. in Hazel Park.

State Highway Director Howard E. Hill said that while the freeway is in condition to carry local traffic, additional work must be done before it is completed. The on-and-off ramps between Hazel Park and Manistee St. will not be opened until later.

Meanwhile, a half-mile section of I-75 from Sixth Ave. north to Sprague St. just north of 11 Mile Rd. is scheduled to be opened later this month.

Township Board Minutes

A Special Meeting of the Farmington Township Board was called to order on November 14, 1966 at 7:30 p.m. by Mr. Curt Hall, Chairman. Members present were Hall, Avery, Cairns, Bassette and Oppertbauer; Nolan absent.

PUBLIC HEARING — Hearing on Necessity for sewer facilities to Eastfield Street from Thirteenth Mile Road to Bond Avenue.
