MOST OF THE changes in school boundary lines for the school year 1967-1968 will be made at the elementary level. The above map indicates the limits set for each elementary district.

THE NEW Power Junior High School on Rhonwood near Gill Rd. is expected to relieve the heavy student loads at the other three junior high schools. An outline of the district to be served by each is shown above.

WITH THE HEAVY concentration of students now attending North Farmington High School, those who live in the southeast section of the township have been returned to Farmington High. The new boundary lines are shown above.

REAL ESTATE SALES PEOPLE
He... or... She

If you're experienced, we'd like to talk to you. There may be an opening for you in our USED HOME SALES DEPARTMENT. Our new 10,000 sq. ft. building on its 31 acre Quakerstown site in the center of the Farmington community will please you and impress your clients and no firm has better listing contacts in the Farmington area. (We've developed over 2000 acres of land here... Probably sold them the house in the first place.) If you're eager, hard working and want to become a part of an established, successful firm, call... Frank Hutton today at 476-8700.

POISON PREVENTION WEEK

PROTECT YOUR CHILDREN

THIS YEAR A MILLION CHILDREN WILL SWALLOW POTENTIALLY POISONOUS SUBSTANCES — 500 WILL DIE!!

This unnecessary slaughter can be stopped if parents "poison-proof" their home. How many times can you say "Yes... my home is poison-proof."

- ☐ Do you keep household products and medicines out of sight and reach of children?
- ☐ Even if you leave the room for an instant be sure the container is in a safe place.
- ☐ Do you store household products only in their original containers? Cups, glasses, and soft-drink bottles are for food and beverages — NOT for bleach, kerosene, turpentine, etc.
- ☐ Do you store medicines separately from other household products?
- ☐ Are you sure that all your household products and medicines are properly labelled?
- ☐ Do you always call medicine by its proper name? Medicine is NOT candy.
- ☐ Do you clean out your medicine chest and storage cabinets regularly?
- ☐ Do you use caution when you throw away an old container? The contents should be flushed down the drain and the container rinsed.

PROTECT YOUR FAMILY EVERY WEEK FROM THE DANGERS OF ACCIDENTAL POISONING. POISON PROOF YOUR HOME TODAY.

* Poison Antidote Control Kits are available for a nominal fee from members of Michigan State Pharmaceutical Association.
