This Model Shop Was Rather an Eerie Place

WHEN the model shop of the Smith was a costan Institution was down by the railroad tracks in South Washington, Harry Handley and the late Mirpalmer, who were in the shop, had the surrounding population "buffalced" to do the cutter that it was nore accessory to lock a door. Then a costant the summer of the cutter that the summer of the cutter of the cutter that happened to local through the museum. There were a lot of life masks in plaster, and the strength of the shop were been cuttered to the shop with the shop that the shop is the shop was a shuman striction.

The thing that made the place a creed, or rather baleful, to illiterate neighbors was a shuman steleton that lived in the back of the shop and the cords; could be made they are distincted by a simple arrangement of words. There is one of the clerks up in the war department who is an amateur paturalist of some attainment. He is floor a fact that the shop was a shum of the shop.

Protect Their Eyes Mother! A Protect Their Eyes With Good Light

A poor light strains their eyes, and the injurious effects may last for life. A good oil lamp gives an ideal light—brilliant, yet soft and restful. The Rayo is the best of Oil Lamps—a factproven by its long life of usefulness and its adoption in over 3,000,000 homes. Scientifically constructed, it sheds a clear, mellow light, without glare or flicker. No smoke or odor.

Rayo

Made of solid brass, nickel-plated. Dealers everywhere, Send for booklet. For best results use Perfection Od.
