

College Resumes Movies Friday

"Tight Little Island," a fanciful satire involving a shipload of whisky and the thirsty inhabitants of a remote island in the Hebrides, will be presented on the Schoolcraft College fall semester Creative Arts fall semester film series at 8 p.m. on Friday in the amphitheater in the Forum.

The story involves the efforts of the islanders to save the cargo when a ship laden with 40,000 cases of whisky founders on the rocks offshore. The public is invited without charge.
