

MR. AND MRS. JOSEPH MICHAEL LEAHY

Atonement Topic For Scientists

Atonement as the day-by-day effort to yield one's life to obedience to the laws of God is the theme of this week's Lesson-Sermon titled "Doctrine of Atonement" to be read in all Christian Science branch churches this Sunday.

Jesus' words, "If ye love me, keep my commandments," from the fourteenth chapter of John, are related to this explanation from the denominational textbook, "The Christ was the Spirit which Jesus implied in his own statements: 'I am the way, the truth, and the life.' 'I and my Father are one.'"
