SCHMALZRIEDT SONS FUNERAL HOME

"The Spirit of the Lord God is upon me; because he hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound."

Correlative readings from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"Through discernment of the spiritual opposite of materiality, even the way through Christ, Truth, man will reopen with the key of divine Science the gates of Paradise which human beliefs have closed, and will find himself unfallen, upright, pure, and free, not needing to consult almanacs for the probabilities either of his life or of the weather, not needing to study brimology to learn how much of a man he is."
