

A&P how much cake should there be in a fruit cake?

Not much!
In fact, we think just enough to hold the fruit and nuts in place.
You see, our Jane Parker Fruit Cake is over 2/3 fruit and nuts.
Every cake is just bursting with cherries imported from France, pineapple from the Far East, citron from Italy, sun-drenched raisins from California and meaty pecans from the South.

AND ONE OTHER THING YOU SHOULD KNOW:
It's the same wonderful cake... at the same low price as last year.
Isn't that good news?

Is it any wonder Jane Parker Fruit Cake is America's most popular Fruit Cake?
Is it any wonder it's become such a favorite gift item?
Is Jane Parker Fruit Cake a good reason for shopping A&P?
It's one of many.
