A general discussion meeting will be held at the Methodist Children's Village, 28545 W. Six Mile Road, on Nov. 17 at 8 p.m. for the Redford Chapter of the Michigan Association for Emotionally Disturbed Children.

The discussion will be held to determine the future objectives of the Chapter. The JC Auxiliary ladies will attend to offer their help.

Parents interested in promoting services for disturbed children are urgently needed.

Rosedale Garden Group Attend International Tea

Several members of the Rosedale Gardens Branch of Woman's National Farm and Garden Association attended two major events of the Michigan Division.

On Oct. 23, the Fall Country meeting was conducted by Mrs. Marvin L. Kake, president of the Michigan Division, at Kingsley Inn in Bloomfield. On Nov. 2, the annual International Tea was held at the former Postmaster General A. C. Summerfield's home in Flint. Mrs. Summerfield is a member of the Flint Branch of WNF&G.

Mrs. George Smith of Trenton, Connecticut, Chairman of the newly formed Arts and Crafts introduced Mrs. C. A. Hall, who spoke on "Contemporary Art Form-Creative Sculpture."

Professionally known as a florist, Mrs. Hall is currently preparing for three one-man ceramic sculpture shows in yarn and color instead of paint.

In addition to Mrs. Hall, members had the opportunity to attend forums on other W.N.F.&G.A. interests including conservation, civic improvement, rural urban relations, education and horticultural therapy.

Proceeds from the International Tea go to the International Farm Youth Exchange Program, the only national exchange program in existence. It is an adult program for persons who have been leaders in 4-H groups to promote friendship and understanding between peoples. It is a two-day exchange.

"WHEN PINE W'S KING" is the title of the picture showing a French-Canadian lumberjack cutting down a tree depicting the history of Michigan. This was one of the many pictures shown by Miss Mary Mannion from the Detroit Historical Society at the meeting of the Kenwood Women's Club held Nov. 7. On the left is Program chairman Mrs. Frederick Bakelmann and Miss Mannion.
