Schoolcraft Given Grant

Schoolcraft College has received from the State Dept. of Education a state warrant for \$385,368, representing the second installment on the 1966-67 school year state aid allocation.
The warrant, released from the state's junior and community college operations funds, was based on a formula providing for \$325 for each full-time liberal arts student and \$350 for each full-time vocational-technical student.
The warrant was sent to Schoolcraft President Dr. Eric J. Bradner by Harold R. Brown, assistant superintendent, department services divisions.
