

Observing Sports

The story of Elgin Baylor and his battles against advertisers should bring heart especially to all young athletes who consider throwing in the towel, just because things don't happen to be going right for them at a given moment.

ple insist that records are made

athletes, the Pistons will run into Rick Barry of the San Francisco

and Elgin Baylor of the Los Angeles Lakers in the afternoon.

into pro basketball's greatest the NBA experts. The general wouldn't make it in pro basketball, said he'd be pushed around. the last laugh.

...ing back and those who have
off as a star . . . well, they're

Baylor and his battles against heart especially to all young men, now in the towel, just because going right for them at a given

The diagram shows a rectangular region with a horizontal line at $y=0$ and a vertical line at $x=0$. The region is divided into four quadrants labeled a , b , c , and d . The horizontal axis is labeled x and the vertical axis is labeled y .
