No Rest for Instructors

What do college instructors do when they're away from the classroom during the Christmas holidays?

For 10 Schoolcraft College faculty members, the holiday was spent, in part, attending professional meetings in various sections of the country.

Herman Breithaupt, consultant for Schoolcraft's culinary arts instructional program, his son Robert, James Van Vuren, and George Fink, all members of the culinary arts faculty, attended the 21st annual conference of the Council on Hotel, Restaurant, and Institutional Education in Chicago.

The senior Breithaupt is one of the founders of the Council, and a past-president.

Suzanne Kaplan, English instructor, and Robert Holtzman and Peter Attala, both foreign language instructors, represented the college at the annual meeting of the Modern Language Association in New York City.

Physical Education Director Marvin Gane and Bob Logan, soccer and basketball coach, spent a week in San Diego attending a meeting of the National College Physical Education Association.
