16,500 BTU MULTI-ROOM MODEL COOLS LARGE AREAS

Sears Low Price

\$199

Cools the large areas in your home fast at the high setting, quietly at the low setting. Dehumidifies, too, for even more comfort. "Fan only" setting circulates the air while air direction louvers let you avoid drafts. Zinc-clad, slide-out chassis mounts easily. Installation kit.

No Trade-in Required on Any Air Conditioner

8,200 BTU Large-Room Model

Set the thermostat, enjoy fast cooling on extra-quiet low speed. Dehumidifies while it cools. Separate fan control. Installation kit.
