The second-hand V-8. It makes a great first car.

It's a car that won't give anything new to worry about. We make sure of that. We give it the V-8 161 safety and performance test. It has to pass. 95% guarantee that we'll repair or replace all major mechanical parts* for 30 days or 1000 miles, whichever comes first. Isn't that what a new car owner needs? A bug that won't drive you nuts.
