The old adage of not putting all your eggs in one basket (and my contribution to it is "or refrigerator egg tray") should be heeded. I don't take notice. It creates quite a mess when that basket lands on the floor. I can now finally say that I'm an expert at something—cleaning up a mess of eggs. Would my title then be a "Messy egg expert?"

**LAST** Saturday evening on Barryhill Rd. at the home of Bernard and Lorelei Christy Jr., a family dinner was hosted in honor of the senior Mr. Christy retired from the General Motors Corp. after some 40 years of employment. His last position was that of Manager of the V-8 Chevrolet Engine Plant. The senior Christys reside in Grand Blanc.

You've wondered, as we all do, what happens when these teenagers grow up—what will they be like—will they settle down? Here's proof of the pudding! A young man who a very short time ago, was one of the growing up teenagers.

of the girls have even gone vacations because their was an election?" she asks. "That is a real dedication." The City has four election precincts with three inspectors and an election chairman. In addition to the precincts there is a counting board set up to count the absentee ballots. The workers in this group report at 4 a.m. instead of the 6 a.m. hour.

Mrs. Quinn terms the taking of the absentee ballots out of the precinct and putting them on the counting board as "the greatest stride toward progress" made.

There is currently a bill before the state legislature which would allow the workers on a counting board to begin tallying the absentee ballots at 4 p.m. instead of the current 7 p.m.

Mrs. Quinn hopes that this bill will be enacted into law. Many City Councils, including Farmington's, have gone on record as favoring this bill and supporting its enactment.

had the grades and passed tests, enabling them to attend the Spring Term Graduate School Courses at the University of Strasbourg, France.

David Graham has his Bachelor of Arts Degree and has a Master in the Philosophy of Religion. A graduate of Huntington College, Huntington, Ind., he is currently leading the Trinity Evangelical Divinity Seminary in Deerfield, Ill.

Included in the schedule of events for the students while they are attending the University of Strasbourg, will be weekend tours to Heidelberg and Erlangen, Germany, the Black Forest, Amsterdam, a week-end in Switzerland and a boat trip on the Rhine.

Mr. and Mrs. Ed Moffitt of Briarton and Mr. and Mrs. Arthur Williams of Belcrest, along with about 10 other couples, headed for their first outing this Spring at the Mason County Fair Grounds, near Lansing, as part of the Ford Wagon Train.

**SOMETHING** you dream about for your 12th birthday sometimes has a way of coming true. Ricky Cirka, son of Mr. and Mrs. Cirka of Middlebelt Road, did just a dream come true for his birthday, which was April 3.

His 21-year-old brother, Lt. Gary Mitchell, stationed at the Newport Road Island Naval Base, sent him a round-trip ticket for a jet flight to the Newport Rhode Island Naval Base, where he spent the week-end. There, he was the guest of the officers and escorted on a tour of the base. It was Ricky's first jet flight and birthday cake couldn't have tasted better at any other place.

The vacationing Jack Garcia Family of New Castle Drive, are back from St. Petersburg, Fla., where it's reported that half of Farmington must have spent Easter vacation in Florida. Mr. and Mrs. Jack Garcia decided to vacation with their family while their son Jack, Jr., a Sophomore at Michigan State was home and while Angie, a Junior, and Tony a Sophomore at North Farmington, were also on school vacation.

The Garcia family met up with Farmington friends in St. Petersburg — Betty Roberts of Birmingham, her husband was joining her at a later date; Mr. and Mrs. Hank Weber of Eastfield; Rick Randall, Tony's friend and classmate, was a guest of the Weber's; Mr. and Mrs. Eugene Dawber of Holly Hills Subdivision; and the two Heyn boys, Steve and Jeff, sons of Nancy and Allen Heyn of Greenwillow. The boys were visiting relatives.

headlines last week when it went on record as supporting a state income tax only after a state-wide referendum on the question. This action forced GOP Chairman Elly Petersen to issue a denial of the Powell group and of its action.

The battle between the two groups is centered in the Oakland County portion of the 19th District. The Wayne-19th organization has not suffered such a serious split and that organization is not excoriating the problems of two separate groups each claiming to be the "official" organization.
