

Outdoor Cooks Compete

Detroit Edison has launched its third annual search for the "King of the Patio" from among the men who practice the art of outdoor cooking.

First prize for the "King of the Patio" is an electric charcoal grill, which can be used outdoors or indoors and includes all extensions and attachments.

The contest is open to men 18 years of age and over who reside in Southeastern Michigan. All a contestant needs to do is send his favorite patio recipe to the Electric Living Division, 2000 Second, Detroit, Mich. 48226. Entries must include name, address and telephone number.

Deadline for entries is midnight May 31.

Professional chefs, cooks, Edison employees and members of their immediate families are not eligible.

Judges will select 10 finalists, who will then compete in the cook-off June 14.

Second prize in the contest will be a patio table complete with table service and electric rotisserie-broiler. Third prize will be an open-hearth broiler-rotisserie complete with a shish kebab attachment.
