The last years of life are the sweetest, and yet the most difficult to prolong. It is then that the greatest care is exercised in maintaining bodily health. But the chief care should always be with regard to the food you eat and whether you are digesting it properly. You should not allow yourself to become constipated. No food you have tried salts and cathartic pills, purgative tablets, etc., and have come to the conclusion that they are violent in action and do but temporary good. Listen, then, to the voice of experience with regard to a wonderful mild laxative, Dr. Caldwell's Syrup Pepsin. It is the best medicine we are trying to do and new friends for life. A. F. Fisher of Johnson City, Ill., suffered from stomach trouble for six years and found his cure in Dr. Caldwell's Syrup Pepsin. His wife used it too with success. We could name hundreds of others. It is some kind of it. It is the best medicine for indigestion, stomach, liver or bowel complaint, a free sample bottle for the trial. Without charge. If you will send your name and address we will send you a trial bottle free to you. If you prefer, we will send you a bottle of the medicine. It is the best medicine for indigestion, stomach, liver or bowel complaint, a free sample bottle for the trial. Without charge. If you will send your name and address we will send you a trial bottle free to you. If you prefer, we will send you a bottle of the medicine.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell Bldg., Monticello, Ill.

The Meanest Man in Town

Is the one who always wears a frown, is cross, disagreeable and short and sharp in his answers. In nine cases out of ten it's not the frowner fellow's fault, it's his liver and digestion that make him feel so miserable, he can't help being disagreeable. Are you in danger of getting into that condition? Then start at once taking Dr. Herrick's Sugar-Coated Pills for your liver—the safe, sure and reliable liver regulator. Ask for a free sample.

Sold by T. H. McGee.

Can You Beat It?

We answer for you—you can't—Not in a thousand years. Think of a countryman buncing a desperado gang and getting away with the swag. Sounds good, doesn't it? Well, it's better than that. So in the next issue of this paper we want you to read "Boggs—His Greengoods Coup." "Red" Hank Bonner is the near hero, but Boggs proved the real one. It teems with a mysterious air of the "con" man's den. Then the double-cross is unfolded for the benefit of the denizens of the high circles in crookdom. Not a dull moment in this story. These crooks picked out the victims who laid their wealth at their door. What happened to Boggs. We'll tell you that in the next issue when you read this story.
