

We'll help put your wife in a home

If your wife has been talking about a new home lately, maybe you'll want to know something about a mortgage. There's a lot more to it than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

At NBD, for example, we have the people and facilities to give you personal attention when you apply. And because we're a full-service

bank, we can keep on helping you with our range of financial services long after you move in.

Our 90 offices make NBD the most convenient place in town to apply for a mortgage. There's no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying, what you're paying for, and what you don't have to pay for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

Maybe you're thinking about a mortgage loan right now. If you are, be sure to think about this: we can help you.
