Beauty and Simplicity...

Often lend grace to each other. In the handling of floral tributes this is especially true.

The Heeneey-Sundquist Funeral Home has high regard for the beauty that careful arrangement of flowers can add to the service. We know well the feeling that is conveyed to the family by our extra care.

This Is Kimberley

By BETTY MAGEAU, 476-3528 and BLOSSOM MATLEN, 474-8518

Kimberley, the Mr. Hector Castaneda of Pipers Lane, professor at Wayne State University, has been awarded a Guggenheim Fellowship to do research in the field of moral philosophy. The fellowship, besides the honor, provides financial assistance for Mr. Castaneda to do research and the relief of his teaching duties for the 1967-68 year.

On May 8, the new Kimberley Association officers started the new season with a marvelous social program for the coming year and some real action on current problems.

Mr. Dick Foran, president of the organization, reports that the Bare Trunk Party of May 27 shows every indication of being a great success. Tickets are still available for those who have not yet obtained them.

The yearly Halloween Party for area children is already being planned. In addition, a Youth Party for Junior High Schoolers is being organized for autumn. The annual Christmas Dance is slated for December 16 at Woodbrook and a 1968 Spring Dance is in the offing.

Jeckless driving was discussed, especially on streets forming the perimeter of the subdivision, and measures are being taken to control speeding. The poor condition of our roads is to be surveyed by the county this week and, in conjunction with the township, a decision is to be made as to what can be done to help. Mr. Foran feels that the picture is not as black as it has been painted and anticipates some relief.

Anyone having any corrections to the subdivision directory is requested to contact any of the officers.

On the night of the last meeting, one of the men went home without his brown raincoat. It is being held at the Beechview School lost and found and should be claimed soon before it is disposed of.

The Beechview Swim Club Couples Bridge-Pinocle play-off and buffet has been rescheduled to Friday night, May 26, at 8 p.m. Mrs. Jill Emerson, chairman of the group, will contact individual members with final assignments.

Notre-Dame's saint Mrs. Marian Harrigan's hair piece is setting atop her head. Michael, Twigg's bartender, was at the beauty salon frequented by Marian and applied her wiglet. "British style," Marian was so thrilled she requested Michael's autograph for daughter Cheryl, a student at the John Robert Powers Modeling School, where Twigg is the hair name.

The recent Farmington High School Senior Prom was also a big happening with the teen crowd. This gala affair was held on Friday, May 12, at Lovett Hall in Greenfield Village. Among the Kimberley set attending were: Paul Tooley, Cindy Trumble, Carolyn Welth, Cindy Sokol, Harold Allen, Linda Valenti, Brian MacKenzie, Dick Stettin, Barb Seeman, Dee Evans, Bob O'Daniel and Greg Walsh.

The follow-up affair, held Saturday afternoon, May 13, was a picnic at Cass Lake with the girls providing box lunches for their dates.

Welcome back to Mr. and Mrs. Dave Winner, who spent over a month camped in their trailer on the beach at Hollywood, Florida, have (who vacationed about two weeks down in the sun country), and wife, Bette, took a side trip to the Bahamas to celebrate their 50th wedding anniversary.

Does anyone have the last 70 pages to a paper-back copy of "Hawaii"? Mrs. Lee Prover was loaned the book by a friend and found (after she had read the balance of the book) the best part missing!
