Floral Park News

A new family joined the Floral Park area recently, as Mr. and Mrs. Wayne Chase and their three youngsters, Troy, 7, Tracy, 3, and Trent, 2 years, selected the home at 22776 Floral. They moved here from Detroit, and Mr. Chase is employed by the Burroughs Corp., 1st Class John Quisenberry, son of Mr. Hugh C. Quisenberry, of 23111 Hawthorne, is stationed at Tuslog, Turkey, with the U.S. Air Force. He probably will be there for about another year. His promotion to the first class rank is quite recent, as he has been in the service only a little more than a year.

The Phillips family of 22779 Lilac spent quite an active and pleasant weekend May 6-7.

They visited the Joseph McInerney family in Lakeport, attending the first communion of McInerney's grand daughter, and the 50th wedding anniversary of very close friends, Mr. and Mrs. Frank X. DeMars, of Detroit.

MISS WILMA ALLMAYER, of 21505 Parker and Mark Outland, 29172 Eldon, took over a project on gun safety which was displayed at the 4th Spring Achievement Day April 29 at Pontiac Northern High School.

ANNE M. PHILLIPS MA. 6-3335

Kelli Patricia King arrived in this world May 4 at Beaumont Hospital. She weighed 6 pounds 4 3/4 ounces. Kelli and her mother came home May 11 bubbling over with health and happiness. Mike is the proudest of fathers.

Brouhals Clark was brought home from New Grace Hospital Monday. She had been there for 15 days, longer than anticipated. She had very painful reaction to the penicillin given her following the operation. We are very glad to have her home again and anticipate she will recuperate quickly.

Alan Goldstein graduated from the University of Michigan April 29. He is now a substitute teacher in Southfield for one month prior to leaving for Japan. Alan was an exchange student when in high school and is going over to visit the family with whom he lived that year.

He has been studying Japanese in order to be able to converse with them in their native tongue. He'll return August 7.

Dick and Grace Taylor have returned from their long winter in Florida. The Taylor's left last Saturday afternoon, dropped in to see the Cardinals, and soon quite a number of other Wood Creekers gathered there to wish them back north.

Maurie Brassler's parents have been visiting here from Ogdan Dunes, Ind. It was very pleasant to meet them at the dinner-dance Saturday night.

Dick and Maxine Carlson celebrated two agents on the 14th. It was Mothers Day, and it was also their 23rd wedding anniversary.

Alice Toth keeps very, very busy. She has been going to Wayne University for almost two years taking courses in education. She is now taking senior level courses but expects it will be some time before she receives her degree.

What with a home and children to take care of she cannot give full time to her college work. But, before too long, we will doubtless hear of still another of our Wood Creek mothers going into the teaching field.

The annual dinner-dance held last Saturday at the Mayflower Meeting House in Plymouth was a tremendous success. More than 100 came to help celebrate Norm Kreider's 50th birthday.

Jim O'Brien, president, and Don Bailey, committee chairman, did an outstanding job. Jim was present in spite of his recent tussle with a truck which necessitated 26 stitches in his head.

Following the cocktail hour and dinner, he spoke to us outlining the fine work Norm has done as Village president. Norm was councillor from 1957 to 1963 when he became president, an office he held until this year when Jim was elected. Jim outlined some of the events to which Norm gave his time and ability, such as the 1962 ordinance for the preservation of our trees and the disposal of diseased ones; the 1963 residential zoning which later permitted the gas station at the corner of 12 Mile and Middlebelt; the fact that the Manufacturers National Bank was the first commercial institution to come into Wood Creek; the 1964 change of zoning due to the necessary selling of the Dean Farm.

It was thought at first this property would be purchased by the Sisters of Mercy. They chose another site and in 1965, Wood Creek Hills was approved as a subdivision with our ordinance again being updated.

Norm was presented with a plaque. He spoke to us giving credit to others who had worked with him. These men included Dobbie Dobson, Vern Frazier, Bill Smolek and Dave Martin. Maxine Carlson sang for us and the dancing continued. A very good time was had by all.

Canterbury Plans Meeting June 15

Canterbury Common activities committee will meet at 8:15 p.m. June 15 in the Thompson-Thrown Co. building on 12 Mile Road.

At the May 11 meeting, activities for the coming year were discussed, including an annual picnic on July 4, a Halloween party, Monte Carlo millionaire party, Santa Claus visits, a brunch and a sleigh ride.

A program report was given on the spring dance to be held May 20 at Bolsoford Inn. Plans are to have the spring dance in April next year.

Takes Course

Army Private Gary K. Kruger, 21, whose parents, Mr. and Mrs. Karl H. Kruger, and wife, Margaret, live at 24710 Hathaway, has completed a six-week general supply course at Ft. Dix, N. J.

We'll help put your wife in a home

If your wife has been talking about a new home lately, maybe you'll want to know something about a mortgage. There's a lot more to it than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

At NBD, for example, we have the people and facilities to give you personal attention when you apply. And because we're a full-service bank, we can keep on helping you with our range of financial services long after you move in.

Our 91 offices make NBD the most convenient place in town to apply for a mortgage. There's no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we'll set out exactly what you're paying for, and what you don't have to pay for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

Maybe you're thinking about a mortgage loan right now. If you are, be sure to think about this: we can help you.

What's New in Hair Fashions?

The British Hair Fashion Council Introduces Its Spring Line

Our British colleagues consider the Solitaire "a natural follow-up from short geometric to short cut frequent peeling, curling and cutting. The style makes the not-so-young look younger, and the young even more attractive."

The hair is six inches on top tapering to zero at the neck. Or it can be longer at the neck to give an "astrakhan" effect.

Speaking of effect... add a Fall or Hairpiece for evening.
