

Area YMCAs Join in Camping Program

Y.M.C.A.'s throughout the area are participating in the Metropolitan Detroit Association's program of progressive or step by step camping.

Local branches serving the area are: Farmington, Livonia, Northville, Dearborn and Wayne.

All have scheduled summer day camps for the younger boys and girls who are not old or mature enough to participate in a longer camping experience far away from home.

A feature of the day camp program is one overnight camp out per session. The locally sponsored, and locally run camps operate for two or three sessions during the summer and run about two weeks in duration.

In addition to the day camps, the metropolitan association operates two different camps in Michigan — Camp Ohio and Camp Nissokone.

A feature of Camp Nissokone, located near Oscoda in the Loud Island section which is designed as an introductory program for the beginning camper.

Any boy without previous overnight experience may enroll for one of the four two-week sessions. Camp periods are June 20 to July 12.

July 12 to 26; July 27 to Aug. 9 and Aug. 10 to Aug. 23. In addition to Loud Island, Camp Nissokone offers both a junior and senior division, which includes sailing, horse-back

riding, archery, tennis, swimming and crafts. The third camp, Camp Ohio, is located near Holly. Offering a varied program for boys of all ages the program includes: an indian

village, a ranch, bike hikes, canoe trips, in addition to the regular camping programs. Family camping is the unique feature of Ohio, in a session limited to 30

families, the entire family will participate in a session from Aug. 27 to Sept. 4. A Y.M.C.A. membership is required to participate in all these camping activities. Further information on

rates and periods may be obtained from the local Y branches: Farmington (474-3232); Livonia (261-0370); Northville (533-3700); Wayne (721-7044) and Dearborn (271-3400).
