There will be a "Wonderland of Food" awaiting shoppers at the new Kroger store which opens on Tuesday, June 22, at 9 a.m. according to H. A. Gifford, Vice President of the retail food firm's Detroit Division. The store is located at 37300 Five Mile Road and Newburgh in Livonia.

When the "Ribbon is Cut" shoppers will enjoy the latest in modern shopping convenience. Among the many innovations are "multi-deck" upright frozen food cases to accommodate a full variety of items within easy access of the customer, reflecting the growing popularity of frozen foods.

Six of the newest conveyor type checkout stands with the electronic eye control will do their bit to speed up the task of checking out. One of these will be an express lane. "Magic Carpets" will open and close the wide entrance and exit doors.

The store covers 14,935 square feet and includes a Sander's Bakery for the convenience and enjoyment of customers.

Store manager will be Ronald T. Cologie, who has been with Kroger since 1962 when he started as a grocery clerk. He became a management trainee in 1964, advancement to co-manager of one of the stores.
