## Slides, Recordings Given to Girl Scouts

Several months ago wildflower slides became available to us through the generosity of a benefactor. These slides were beautiful, interesting and educational, and consequently the leaders began using them to teach the Girl Scouts just a little extra about wildflowers.

Our benefactor was pleased to see that his gift was so widely used and has now made available to us film strips on vambians, reptiles, birds and moths. There are 25 slides on each of these four film strips and also recordings to be used in conjunction with them.

Note to leaders—You must have a tape recorder if you wish to use the recordings, and please remember to put in your reservations early if you wish to use this excellent material.

**JUNIOR TROOP 224**, which meets at Middlebelt School, Mrs. June Hoffman, leader, held a cookout the end of May at the home of Mrs. Heuer in Lincolnshire. The girls worked on their backyard fun' badge and also managed to cook their meal of hamburgers over an open fire.

Just after school closed for the year, the troops went out to the campgrounds at Kensington Park and spent the weekend at Arrowhead.

**MSU Dean Steps Down to Education College Post**  
**EAST LANSING**—Dr. John A. Zuk, vice president for student affairs at Michigan State University since 1964, has stepped down to become assistant dean and director of the School of Advanced Studies in the College of Education.

His successor is Dr. Milton B. Dickerson, a veteran MSU faculty member, now associate dean for graduate studies in the College of Business.

Lodge. The 6th graders of the troop also went camping at Arapaho with Cadette 1005 early in June.

This same group went to Washington for four days beginning June 26 with Troop 1005. The girls in this group are: Joan Bartlett, Vickie Bice, Lori Barto, Fel Engelbrecht, Betsy Hoffman, Gail Heuer, Vickie Kindler, Sandy Leone, Jan Wolfe.

Mrs. Jane Hoffman will not be staying with the troop next year to we are now in the process of finding new co-leaders to keep the troop going next fall.

**FOR THE FARMINGTON City Neighborhood meeting** in June the leaders met at the Farmington City Park for breakfast.

These ambitious leaders baked sweet rolls in a cardboard box. Sound impossible? Well, they just lined the box with aluminum foil, using several thicknesses on the bottom, put bricks in a circle on the bottom and set about 10 hot rolls in the center. They then put the baking pan on top of the bricks, closed the box and let them bake.

The district chairman, Mrs. Leona Sidwell, was invited to the meeting, and also the new leaders in the Neighborhood.

**ONE OF OUR local Senior Scouts**, Tess Schaefer, from Miss Brigette Reagan's Troop, will be studying in Spain this summer and will be carrying a letter of introduction from the Girl Scout of the United States. She hopes to meet Girl Guides in Spain. She is a trained program aide.

Our camp directors, Margaret Scall and Eileen Schaefer, tell me that things are just about set for Camp Arapaho but of course they can always use extra help. If any of our mothers have time to spare, call one of the directors and offer your help.

**GARY SHORTT** and his parents, Mr. and Mrs. Joseph M. Shortt of 23930 Grace, Farmington, were among the nearly 1,000 guests who visited the 31st Annual Student Art Exhibition at Wayne State University.

The younger Shortt received a Merit Award in painting in addition to being honored by having his design used for the announcement poster advertising the show.
