Absorbs Sound as it Filter-Cools Air!

8,000 BTU Filter-Blower Air Conditioner

Now get 8,000 B.T.U. cooling power that plugs into any adequate 115-volt household circuit! • Two fan speeds flow air through four rotor air directors. • Reusable air filter—just vacuum or wash. • Automatic thermostat assures even cooling. • Exclusive Filter-Blower Air System... More than a thousand tiny blower blades pull room air through the filter, and softly discharge it over the cooling surfaces, into your room.
