

Weekend Gardening

Finish dividing and transplanting perennials....Plant seeds and seedlings....Order bulbs for planting later in fall....Plant small bulbs for early spring bloom....Keep newly seeded lawns moist until the seed germinates and becomes established....

Give lawns a fall feeding....Mums can be transplanted even in full bloom, so use them to fill in bare spots in the garden or to provide some needed color by the front door or patio....Bring in house plants that were outdoors....

MRS. JOE BLYTHE (Marge Hagel)

Marge Hagel Wed

Marge Hagel and Joe Blythe exchanged marriage vows in Our Lady of Victory

church, Northville, Sept. 1. The bride is the daughter of Mr. and Mrs. Anton J. Hagel, of Blue Skies Drive, Livonia, and Mr. and Mrs. Bruce Gibson, of St. Francis Avenue, Livonia, are the bridegroom's parents.

Ivory Italian silk organza cover silk fashioned the elegant-style bridal gown. A crystal and seed pearl crown held the bride's triple bouffant veil, and she carried a cascade of white gladiolus and carnations with daisy mums.

Mary Baldwin, as maid of honor, wore an A-line gown of chartruese crepe with a floor-length veil headpiece. She carried yellow gladiolus and mums.

Assisting the bridegroom as best man was Harry L. Wolfe, Mrs. Hagel's step-son. The groom wore a white tuxedo with a lace top for her daughter's wedding, and Mrs. Gibson's costume was chartruese lace and satin.

Following a reception in the St.-White Dining Lounge, the couple left for a Niagara Falls honeymoon. Both are graduates of Bentley High School.

WHY IS THERE SUCH A DIFFERENCE IN WIG PRICES?

Falls, wiglets and wigs can all be had at various prices. To be an expert shopper, check these points:

- Are you buying human hair or a synthetic?
- If it's hair, is it European or Oriental?
- Is the piece hand-tied or machine made?
- Is it on a wire or mesh base?
- Can you match your hair?

Buying hair goods is complicated. Let us help you choose the hair piece best for you!

Now find the man who sold you the insurance

Unless your insurance man is available right now, your insurance is going to be a lot less valuable than you expected.

The way to make sure your policy will do what you expect it to do, is to buy it through us— independent agents. We've built a business serving policyholders. So we owe allegiance to no one company. If you have a claim, we go right to work for you, make sure you get fast, fair treatment from the company.

When you need insurance for your home, car, or business, look for this Big "I" symbol. It's your guarantee of service beyond the call of duty. To display it, an insurance agent must meet professional standards designed to protect you.

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successively isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V6. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Cavalier. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlamps that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!
