List Driving Hints

There is no such thing as legislating "instant safety" on the streets and highways, according to Farmington Township Police Chief Irving Yabes, but with the approach of winter weather motorists would do well to follow certain safe-driving recommendations.

He urged motorists to study the following tips for safe winter driving which have been advocated by the National Safety Council's Committee on Winter Driving Hazards and endorsed by the International Association of Chiefs of Police.

● Get the "feel" of the road by accelerating carefully to see if wheels spin, or brake gently to see if they skid. Reduce speed accordingly.

● Increase your following distance. It takes three to nine times as far to stop on snow and ice as on dry pavement.

● "Pump" your brakes to slow or stop -- don't jam them on. An intermittent pumping action keeps the wheels rolling and helps maintain steering control.

● Have good tires with good treads. Better yet, use snow tires which provide half again as much pulling power in snow as regular tires. Studded snow tires offer still more help on icy surfaces.

● Always carry reinforced tire chains in the trunk of your car for use during severe snow and ice conditions. They provide four to five times as much traction on snow or ice as regular tires.

● Keep your windshield and windows clear at all times. Replace streaking wiper blades gone dead from exposure to sun, wind and city road film. Be sure that your windshield washer solution contains adequate anti-freeze.

Mrs. Robert (Clare) Orans of Quaker Valley Drive and her mother, Mrs. J. Courtois of Detroit, recently returned from Luxembourg, where they attended the wedding of Clare's cousin, Robert Courtois to Margot. They were gone for three weeks--one week in Luxembourg and two weeks in Spain and Portugal.

THE WEDDING ceremony and reception, they tell me, is much more formal with a lot of pomp and ceremony. Added to this are all the little native customs and you have a marvelous time. Much to my surprise and unlimited knowledge, Luxembourg is a
