Troop 26 Has Busy Weekend At Narrin

by Judy Zahler 474-6527

Camping at Narrin became the occasion for festivities the weekend of Nov. 11 and 12 when Troop 26, which meets at Highmeadow School, Mrs. Mary Murphy and Mrs. Doreen Oskar co-leaders, decided to have an

investiture of their new Scouts on Saturday evening.

To mark the occasion they invited Troop 622 from Royal Oak (who also happened to be at camp for the weekend) to attend and take part in the ceremonies.

The four new girls who were rededicated to Girl Scouting were Jenny Gordon, Linda Hubbard, Kim Lacey and Sheryl Squires, and all 26 members of the troop were on hand to welcome them. After the ceremonies the girls put on skits, played games and sang songs; and of course they had something to eat.

Also included on the agenda for the weekend was a pine cone hike, wherein the girls collected pine cones to be made into wreaths as part of their Christmas project which will be coming up soon.

Mrs. Hill and Mrs. Jarvis, mothers of two of the Scouts, also went along to drive the girls to camp and to sort of ride herd on them when necessary.

In the planning stage for the troop is a Christmas project and sometime after the first of the year they will be going on a hike at Kensington Park.

COMING UP on a Council-wide basis is "Invite a Friend Week" which will be held in March as part of the Girl Scout Week activities.

At this time the troops will be urged to invite friends who are not in scouting, parents, members of sponsoring groups, custodians, teachers, principals and adult members of troop committees to attend some kind of a troop-sponsored activity to show these people what is being done in individual troops.

FARMINGTON SCHOOL CHILDREN NEED YOU!

Your "YES" vote on Monday, November 27, will provide continuance of a quality standard of education for Farmington school children:

Your "YES" vote on Proposition A will provide the new sites, new buildings, and new additions needed to continue and insure a quality education for the projected 20,739 students that will be in our system by 1973. (As of September 29, enrollment was 15,245).

Your "YES" vote on Proposition B will maintain the quality education your child is now receiving and will cover the yearly increase in operating costs that the Farmington Public Schools must meet in order to function effectively. In addition, retention of a competitive salary scale will attract and hold the finest teachers will be assured.

WHERE DO WE STAND?

The Farmington Education Association sincerely feels that the educational dollars in the Farmington Public Schools are being most wisely administered.

We respectfully urge you to support your schools by voting "Yes" on these two vital propositions submitted by your Board of Education.
