#### UP' GOING CURTAIN

It's been stateen years since Emjny Williams graced the local theatrical boards. He appeared as Charles Dickens in a one man show interpreting the author's works in a most consummate style. The year was 1951 and the place: the Hill Auditorium in Ann Arbor. In 1967, Detroit area audiences had the rare opportunity to renew arquaintanceship with Mr. Williams by attending his dramatic program was presented last week at the University of Detroit in their cavernous field house was continued for Mr. Williams appearance. At least 3,000 people could have squeezed in the hear thim, but unfortunately only were risk hundred did attend.

ALL. the Dylan Thomas.

ALL the Dylan Thomas devotees were present. The wild, wonderful works of this Welsh poet evoke great response from any lover of words or any individual who appreciates the richness of the English lauguage.

Emlyn Williams, ian English actor of tremendous stature, handles the Dylan Thomas with great care, reverence and respect, He moids each of the Thomas selections so accurately you soon can't distinguish between Williams the actor and Dylan the poet.

Williams mesmerizes his audience, You sit entranced as he tells of a riotous bus outing in the hills of South Wales, two young lads visting each other shomes, a lonely lad walking in the night and ending upunder a bridge arch.

Polite laughter hibossomed into guffaws and rich throaty appreciation as the tale of an adolescent with his finger stuck in a beer bottle becomes locked in a most bizzace bathroom facing the feminine wiles of a feckless female seducing him.

The simplicity of the setting utilized by Williams proved you need no fancy istage sets, elaborate costumes, or distracting technical effects as long as you have a versatile

THE TWO HOUR program of dramatizations from the works of Dylan Thomas that followed made active use of these items. One corner of the panel screen became the arch under the rall mode the arch to the chair became a huge flat rock where Dylan and his friend Jim sat by the sea and volced their dreams. The thry spots highlighted the emotional cilmax burtled deep in the Thomas poortry.

Let's hope that Mr. Williams can come back into this area before another 16 years rolls
