### Introducing . . . REALTRON The UNRA Computer that Talks To Realtors and their Clients

**BUYERS:**  
Find your dream home. Leaf through your real estate salesman's Book of Styles, pick out the style that suits you, tell your salesman about how much you want to spend and where you'd like to live. Presto, Realtron's Computer will answer in seconds with all the new and used homes currently available, meeting your requirements. And remember, the Computer selects from all of the listings of the 1700 brokers and salesmen that comprise the United Northwestern Realty Association Multi-list.

**SELLERS:**  
When you list your home with a member of the United Northwestern Association, without any extra cost to you, your UNRA salesman will place your home for sale on the world's first real estate voice Computer.
