**REMINGTON
200 SELECTRO**

Lets him dial a perfect shave

This 200 SELECTRO shaver has the dial that makes the difference. Now he can adjust the 2 thin, sharp, shaving heads to the position that's right for his face and beard. Position 1 for neck and tender skin areas. Positions 2, 3 & 4 raise heads for face, chin, upper lip and heavy beard. Position 5 pops up heads for sideburn trimming. Position 6 flips side panels open for instant clearing.

The Safety Shaver
Gives a
skin-tight shave

Grooming has come a long way. From the straight razor to the safety razor to the electric razor to The Safety Shaver. No nicks, cuts, scrapes. Rids you of whiskers smoothly, gently. The Safety Dial adjusts shaving head for your skin and beard conditions. Safety Combs channel beard into shaving heads for a close, comfortable shave. TRIM tackles sideburns. Dial CLEAN —end panels pop open for easy cleaning.
