# Women On The Go' ...

## Busy Hands Fill Retirement Hours

a basement wall covered with craft projects, but enjoys menus she has been given in letter-writing. He sends off rectainments visited during the couple's travels, Stabler doesn't joinhis wife's and other cliftchis.

Picture a jeweled garden set on black velvet. Or a bouquet of rosebuds that turns out to be shells. turns out to be shells.

Perhaps a huge scene made
up of literally thousands of bits
and pieces from Christmas
cards.

And Christmas trees of
woolly pink and white yarn and
trimmed with gilttering balls.

trimmed with cittering balls.
CREATION of these works
and many more fill the busy
days of Mrs. Archie Stabler,
or Redford Township, who
figures she Joined her husband
in retirement when be gave up
his Detroit habordashery business 14 years ago.
And she does her intricate
work despite the fact that the
thamb and forefinger of her
right hand have virtually no
feeling, due to an old injury. I'w wouldn't do it if I didn't
like it, though," she said, i've
always loved hander afts, and as
some of the very intricate work
became too difficult for my
hand, I have substituted some
other that I can handle.
"The important bling I she
keep doing something interesting."

A FOUR-BY-EIGHT-FOOT
Christmas card hangs in her
basement room, allowing in her
several small ones of people
animals, houses and
hurches, Christmas trees and
snowy sleighs from discarded
greeting cards.
She pasted them on with the
larger ones in the foreground
and the smaller ones in the
background togive an amazingly
accurate sense of proportion,

WHEN, IN the last year, the painstaking cutting became a little too much, Mrs, Stabler burned to an equally original creations—2 24-by-28 inch pleture made of costume lewelry or a long time." Mrs. Stablers and mounted on black velvet. "I had all my friends saving bein old costume lewelry for a long time." Mrs. Stablers aid, "I found a pair of clippers I could use, and used it to cut the parts of the lewelragart for the effects and a pair of clippers I could use, and used it to cut the parts of the lewelragart for the effects and pair of the parts of the lewelragart first the entire and piece of velvet laminated on wood, and the effect is that of a gleaming garden growing along a shiny cobblestone path. "It took me about a year to make it." Mrs. Stabler said, "and it's finnow to have friends come in and recognize parts of the pin or neckace they used to wear."

MRS, STABLERS rocebud-shell boughet was one of maddis—as interest developed during the six years the couple spent in Florids at the start of their returement time. For the roses, she used carefully selected shells and painted them with fingeranal politsh, adding artificial leaves and stems.

Her current project is the Christimas trees, made from hardreds of loops of yarn on styrofoam.

SHE ALSO made a board of mementos of the Stabler's 50th

### Couple Wed In Home
