GOP Set To Help Children

"Operation: Christmas for Kids" -- a Michigan Republican sponsored campaign to provide Christmas gifts of clothing and toys for more than 700 under-privileged children in the metropolitan Detroit area--has been launched in the 15th Republican Congressional District (which includes Westland and Garden City) by Mrs. Althea Amerman of Belleville, District Involvement Chairman.

"These young children, who are from three to five years old, attend day care centers and have largely been neglected by service and charitable organizations," stated Mrs. Amerman.

"They have no family to speak of, and have not experienced the joy of Christmas as many of us have," she said. "Many of these children have very little underclothing, and only meager necessities of outer clothing. While their most pressing physical need is for clothing, each child emotionally would like a toy of his very own."

"We urge all citizens, Republicans and Democrats alike, to purchase socks, underwear, dresses, heavy sweaters, trousers or toys for these children," urged Mrs. Amerman.

A collection center for these gifts will be maintained at the District Headquarters at 2749 Van Born Rd., Taylor, and is open 9 a.m. to 5 p.m., Monday through Friday.

Study Nears Finish

The Garden City Charter Study Committee is expected to complete its work and submit a list of recommendations to the City Council by the end of this month, reported Luther Walker, committee chairman.

He said that the committee, which has been meeting weekly since October, has been discussing nine amendments to the City Charter.

The most discussion among the committee members, he said, has been on the changing of the city's fiscal year from a April 1-March 30 period to the July 1-June 30 period and the suggestion of four-year terms for city officials, who now serve two year terms.

Walker stressed that the committee has been only discussing the charter points and no recommendations have been made yet.

All recommendations would have to go to the City Council which would then decide which amendments would be placed on the ballot for the voters' approval or rejection.

Since the five-member group was formed several months ago, Councilman Douglas Waddell was replaced by Gerald Coleman who underwent surgery last week and was subsequently succeeded by Dr. Francis Schmidt. In addition, Councilman Wilson Taylor stepped down in favor of Jess Talbott.

BPW Plans Party

The Garden City Business and Professional Women's Club will hold its annual Christmas party in conjunction with its Boobies' and Men's Night, Thursday, Dec. 16.

The event, to start at 7 p.m. in Plymouth with a smorgasbord, is under the direction of chairman Margaret Erickson. On her committee are Loupatti Miller and club officers Fran Thibodeau, president; Thelma Nash, first vice president; Marjorie Ray, second vice president; Mayville Shon, recording secretary; Evelyn Fitzpatrick, corresponding secretary; and Hilda Murphy, treasurer.

Christmas gifts will be exchanged among members that night along with a man's gift if the husband or boss also attend.

The November card party and smorgasbord brought in more than \$500, reported chairman Marjorie Ray, although not all of the receipts are in yet. The event is the club's largest fund-raiser of the year with the funds being used to support annual scholarships of \$100 each to seniors at East and West High Schools, plus other donations, including a needy family at Christmas.
