Cookie-Jar Treats

Cookies

If you have adventurous youngsters in your home, you'll certainly want to keep a well-stocked cookie jar all year round. Oatmeal cookies are a proven favorite for good munching. It's amazingly easy to make plenty of goodies when you use Chiffon soft-type margarine containing liquid suflower oil. The delicate texture and flavor assure marvelous baking results. And it's always ready to use—no need for creaming or waiting for it to soften at room temperature. To make Huck Finn Oatmeal Cookies you simply mix all the ingredients until well blended and the cookies are ready for baking.

The soft margarine recommended in this recipe contains a high percentage of pure liquid suflower oil which means it is lower in saturated fats than any other spread on the market, including the corn oil ones.
