

STEVENSON'S Rusty Gregg leaps between two Robichaud players to deposit two points for the Spartans in their 72-57 victory Tuesday night.

Stevenson Rolls Past Robichaud

It's the payoff that counts and Stevenson High's basketball team had it with the championship down Tuesday to down Robichaud of Inkster, 72-57.

Inkster had bounced in front, 29-26, by halftime after outscoring Stevenson by 17-11 in the second period.

But once the second half began, Stevenson began its charge and with Jim Olsen leading the way, the Livonians moved on to take a commanding lead and winning going away.

Olsen registered four baskets in the third period while teammates Paul Tommashack and Jerry Dettler four to lift Stevenson on top by 46-42 at three quarters.

The final period was strictly all Stevenson, Olsen stayed hot, adding nine points while Nick Exharos fired in eight more to add the final touches to the Stevenson victory.

Extra pressure defensively turned the tables according to George Van Wagener, the Stevenson coach.

Olsen closed his evening's work with 26 points, Dettler followed with 14 and Tommashack and Exharos 10 each to up the Stevenson record to 3-1.

Stevenson's swimmers romped merrier past Crestwood, 68-33, as the school's medley relay team set a new varsity record.

Mark Hulei, Stan Swiatkowski, Phil Little and Don Day combined for a 1:50 clock for Stevenson in the relay.

Strong Finish Wins Swim

Thurston High's swimming team finished strong to down Pontiac Northern, 57-48, in a dual meet.

A one-two finish in the breast stroke in which Bill Zeep beat teammate Holcomb helped put Thurston in front and then the Thurston free style relay triumphed to wrap up the meet.

Zeep also won the individual medley while Thurston's newest Wiebeck won the 100-yard free style and placed third in the 200-yard free.

FOURTH COACH Frank Gompert is only the fourth man to ever coach Wayne State University's basketball teams.

Farmington Stars Aid Albion

Albion College has a real chance to remain undefeated in the Michigan Intercollegiate Athletic Association today, thanks to the terrific performances turned in by Mike Wilson, and Neil Warriner, both from Farmington.

A sophomore guard, Wilson put on a real scoring display during last Saturday's 78-77 victory over Adrian. The game was won in the last seconds by two free throws by freshman Harry Turney from Jackson.

Albion coach Dean Dooley had high praise for Warriner, who is co-captain for the Albion Britons.

"He played one of the finest games of his Albion career against Adrian," Dooley enthused, adding that the 6'9" Warriner, who tips the scales at 250, was a big factor in controlling the boards and keeping defensive pressure on Adrian.

Albion faces defending league co-champion Hope College today, hoping that the home court advantage, momentum from last week, and the efforts of the two Farmington stars will combine to produce a much-needed win.
