

## All Tigers Signed As Drills Near

The first movement of the Detroit Tigers southward for their training camp at Lakeland, Fla., began Saturday when front office personnel departed.

The players themselves will start moving out within the next week so that all will be present on Feb. 28 for the opening workout.

At least three of the Tigers—Joe Sparrino, Denny McLain and Mickey Stanley—have made their winter homes in Observation.

ALL THREE ARE SIGNED. In fact, so are all the others on the 39-man squad Manager Mayo Smith will greet.

**NEW MAN:** William Kofner, for many years connected with thoroughbred harness racing at the Detroit Race Course, has been named assistant public relations director for the 1968 Wolverine Raceway meeting at the DRC. The season at Wolverine begins on March 22.

## New Team In Lacrosse

Detroit has been selected as one of nine cities to make up a new professional lacrosse league in the United States and Canada.

Formation of the National Lacrosse League was announced by Lincoln Cavalieri, assistant general manager of Olympia Stadium, Cavalieri said the league will consist of five-team Eastern Division and a four-team Western Division.

Three member cities of the National Hockey League will be joining the lacrosse association. Besides Detroit, the participating NHL cities are Montreal (Que.) and Toronto (Ont.), both Canadian entries.
