Carefully Selected and Federally Inspected Meats

A&P insists that its meat buyers be very "fussy" people. They must buy only top quality beef, pork, lamb and poultry products. A&P then goes one important step further—we maintain our own Federally Inspected meat plant where these top quality products are processed and packaged under strict supervision. This insures that you get not only quality meat but meats that are cleanly and wholesomely processed.

A&P Cares About YOU!
