

### Playoff For 4th To Be In Detroit

If a playoff game for fourth place is necessary in the National Basketball Association's Eastern Division, it will be played Thursday night in Detroit, the circuit announced Monday.

Doctors have pronounced completely successful the delicate surgery on Willy Horton's injured achilles tendon that gave him considerable trouble last season and caused him to miss 43 games.

The 25-year-old power-slugger for Detroit has been working out this year and so far everything appears as if he will be in the starting line-up.

When asked about the injury he says, "It's still a little sore, but it's 100 per cent better than last year."

## Shooting Expanded In Archery

Expansion on a major scale will mark the 10th annual International Indoor Archery Tournament, which will be held in Cobo Hall, March 30-31.

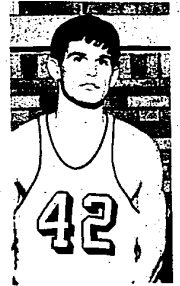

The \$15,000 prize tourney, the richest indoor target archery competition in the world, will be expanded to two halls this year to accommodate an expected 1,500 entries.

The expansion of facility will enable the conduct of the shooting to be accelerated. The archers will again shoot two Professional Archery Association rounds of six ends, five arrows per end into a 16 inch target at a 20-yard distance, one round per day.

The acceleration will come from the schedule which, in the expanded area will provide space for two shooting lines, at 9 a.m. and 1 p.m. Saturday and at 8 a.m. and 12 noon on Sunday. All team shooting will be done at 6 p.m. Saturday.

As in former years competition will be divided into six classes, three each for men and women. The men's and women's Open Classes will compete for \$15,000 in prize money as well as special bonus prizes for perfect rounds and championships shot with a Sovereign bow.

The four amateur classes will include Free Style competition, in which a bow sight is used, and instinctive, in which no sight or marking is permitted.

GREG DOROW was awarded a varsity basketball letter at Adrian College during the annual Winter Sports Banquet. Dorow, a freshman, is the son of Mr. and Mrs. Gerald L. Dorow, 24015 Pickett, Farmington. He was one of only two freshmen to receive a letter at Adrian this year.

### Meine Dies, 71

Heine Meine, a pitcher who retired from baseball at 31 and came back two years later to pitch six seasons with the Pittsburgh Pirates, died Monday in a St. Louis hospital of cancer. He was 71. He also played for the old St. Louis Browns, St. Louis Cardinals and Kansas City.

## Old-Man Howe Acts Like Kid

The ol' man of hockey continues to act like a youngster. Gordie Howe doesn't let the fact he's 40 affect his play too much for the Red Wings.

He fired in three goals and added an assist Saturday night when the Wings overran the St. Louis Blues, 6-3.

The victory ran the Wings' streak to two straight, but the next afternoon they were whipped, 5-1, by the Minnesota North Stars in a game nationally televised.

"With all hopes of making the playoffs long vanished, the Wings' only hope is to beat out Toronto for the place. A chance to gain on the Leafs will be provided the Wings Thursday when they engage Toronto in the first appearance of Livanov Norm Ullman at Olympia since he was traded away by the Wings.

The Wings have a date at Montreal Saturday night and then return home Sunday night against Boston.

KALAMAZOO -- When Junior Gene Ford of Chicago (Crane) III, was selected to this year's All-American Conference first team, he was the first Western Michigan University basketball player to be so honored since 1965.
