A visit to Franklin High for the district basketball tournament suddenly found one submerged
in a discussion on hockey.

"Why not help us get a varsity hockey team?"
asked Franklin Athletic Director Bob Bentley.
Others close by chimed in with a similar plea,
Bentley continued as out on the floor the basketball action became hot and furious,
"One of the rinks will be right around the
corner from the school..., and when they are

naturally the eases the operator of this particular
effort in the Observer.
We've been pounding away on the typewriter
for something like six or seven years — urging
Livonia, Redford Township, Plymouth, Farmington and all the rest of Observerland to do something about providing artificial skating rinks.
HOCKEY GOES hand in hand with such

HOCKEY GOES hand in hand with such

It's a booming sport for youngsters. This is proved by the hundreds and hundreds who make use of every rink. "You know they have a league now," Bentley added. "There are 18 schools playing hockey-schools like Detroit Catholic Central, Ann Arbor, etc.

tc.
"They'd like to have Franklin in it. Also
Bentley, and maybe even Stevenson."
The cost wouldn't be earth-shaking, according

The cost wouldn't be earth-shaking, according to Bentley.

"Most of the boys around here who play hockey already have the equipment. Their parents say that they'll do anything to make the sport go here.

"So, really, if we just had enough money in a hockey budget to pay for the officials, transportation and a few other items, we could get the team off the ground and prosporing by next season."

ACCORDING TO Bentley, who will be moving to Livonia's fourth high school next fall, there is a big push on in all schools to increase athletic

a big push on in all schools to increase adment programs.

He noted that Stevenson turned to soccel last all and that Franklin got a similar team rolling.

'I think that within a few years, you'll see soccer an integral part of our prep program, along with gymnastics and hockey.' Bentley declared.

'Il behooves us in the schools to provide activities that will give every youngster a chance to participate.'

When we were in Boston last weekend, the

When we were in Boston last weekend, the state finals were held in hockey during the afternoon at the Boston Garden and then in basketball the same evening.

The hockey outdrew the basketball, 2-1.

Builders Seeking More Manpower

politan Detroil, He said:

"Apprenticeship programs have been inaugurated by a number of unions as well as in schools, It takes ime to develop a good carpenter, a palmeter, an electrican, a palmeter, an electrican, a palmeter, an electrican, a palmeter or a plumber. That it why the home count from the second of the building craftsmen were 45 years old and older. Losses through retirement and other causes indicate that during the next 10 years there will be a 32,000-man shortage in this state.

"Anyone with an aptitude for
