## Cyclist Killed In Crash Safety Patrols Plan A Salute To AAA Leader

A Garden City motorcyclist was killed in an auto collision Friday at Ford and Lilley Rds. in Canton Township.

The victim was John Thomas Willis, 19, of 29047 Elwood, reported the Wayne County Sheriff's Department.

The detective division of the sheriff's department was told that a car driven by Mrs. Estelle Figg, 66, of Ann Arbor, stopped for the stop sign at the intersection and then pulled out into the intersection.

Thomas, traveling west on Ford Rd., ran into the motorcycle. He was rushed to Wayne County General Hospital.

No ticket was issued but the case is still under investigation by the police agency.

Funeral services for Willis were held Wednesday at the Caldwell Funeral Home, Garden City, with burial in Cadillac Memorial Gardens West. He is survived by his parents, Mr. and Mrs. Paul Willis; five brothers, Harold, Edward, Michael, Donald, and Larry; and a sister, Patricia.

Six area communities will be represented in a 129-member safety patrol honor guard in Washington, D.C., which will pay a final salute to Ernest P. Davis, retiring head of Automobile Club of Michigan's safety and traffic department.

Communities to be represented are: Farmington, Livonia, Plymouth, Redford, Garden City and Westland.

Local patrolers will be among youths from 100 Michigan communities who will take the annual four-day, all-expense-paid trip to Washington as Auto Club's guests. The patrolers leave Detroit by bus May 9 and return to their home towns May 12.

ERNEST P. DAVIS

"We are now in the process of informing the schools throughout Michigan which have been chosen on the basis of a patrol group's general performance and efficiency," adds Davis. "After the schools are named, they nominate the individual patrolers they wish to have represent them."

"Davis, WHO RETIRES in July, has helped lead over 4,100 patrolers to the nation's capital from hundreds of Michigan communities in the past 32 years.

In 1936, Davis helped organize Auto Club's first safety patrol trip to Washington as assistant director of safety and traffic. He became director in 1942.

"This is the 32nd consecutive year we have honored Michigan safety patrolers along with the schools and cities they represent," states Davis.

"We are now in the process of informing the schools throughout Michigan which have been chosen on the basis of a patrol group's general performance and efficiency," adds Davis. "After the schools are named, they nominate the individual patrolers they wish to have represent them."
