BEST GREETINGS

Our teeth are necessary things—God made them to be used
To masticate the food we eat, but not to be abused.
Decayed and broken, they become a menace to our health,
But well preserved, are more to us than mere marial wealth.
The crown and bridge work we have done has never been excelled;
Despite of many obstacles, our fittings all have been perfect.
Our plates are made to stay where put; it is not in our pocket
To manufacture teeth for you to carry in your pocket.
Full set teeth, \$4 to \$8. 30 years' guarantee.

Infant, or man in his prime.
Fair maiden, or stalwart youth,
What pain is more hard to be borne
Than that of an aching tooth?
But why should one suffer thus,
Hear what the "Best Dentists" say,
"If you will only come to us,
You, happy, will go away."

LADY ATTENDANTS

If there is one dissatisfied patient in all these years, do come to our parlors.
We will please you.

The Meanest Man in Town

Is the one who always wears a
frown, is cross, disagreeable and
short and sharp in his answers.
In nine cases out of ten it's not the
poor fellow's fault, it's his liver
and digestion that make him feel
so miserable, he can't help being
disagreeable. Are you in danger
of getting into that condition?
Then start at once taking Dr.
Herrick's Sugar-Coated Pills for
your liver—the safe, sure and re-
liable liver regulator. Ask for a
free sample.
