Literary Presidents' Day

Two altogether desirable fea-tures, informality and originality, characterized the annual Presi-dents' Day of the Ladies' Literary club, which took place at the home of Mrs. Zayda B. Wilber on Wednesday, June 3. A novel entertainment arranged by the committee furnished an afternoon of pleasure and merriment, closing with an address by the retiring president, Mrs. Ella Irish, giving reminiscences of the 13 years of her membership in the club and presenting the gavel to her successor, Mrs. Bertha Steele.

The chairman of the banquet committee then invited the ladies to the dining room, where they found the table filled with gay colored baskets. Each lady selected her favorite color basket and proceeded to investigate the con-tents, which proved to be a dainty picnic lunch complete even to a bottle of lemonade and drinking cup. After disposing of the original feast, the members departed carrying a souvenir basket and feeling that grand success had crowned the efforts of the ladies in charge of the afternoon. And so another Presidents' Day has passed into history.

Care of Silk Umbrella

Care of Silk Umbrella.

When coming in with a wet umbrella stand it handle down to dry, then wipe off the handle and ferrule and furt the silk sections. If the silk gets a spot on it, remove it with a silk rag, warm water and soap. Clean a gold or silver handle with whiting, wash a china handle in warm soapsuds, rub up a wooden handle with a very slightly oily rag. A good way, to mend a silk umbrella is to wet a piece of black court plaster and fasten it to the silk just under the tear and let it dry.—New York Press.
