

West Rolls Up 2 More Victories

The baseball express at Garden City West rolls on. The West's winning streak reached six straight when the team whipped Riverside, 6-4, and Cherry Hill, 6-2, in its first two starts last week in Tri-River League action.

Thus West still hadn't lost as the new week began.

Bob Childster and Jim Furay plucked the two West victories. Childster allowed eight hits and fanned seven in beating Riverside. Furay beat Cherry Hill to four safeties and whiffed eight.

West had to rally in both games.

Riverside had taken a 3-0 lead. Then a triple by Childster got one run back in the first inning.

State Bids To Publish 1,000,000 More Maps

LANSING --- The State Highway Commission wants to print an additional one million official state highway maps annually starting in 1970 in an effort to meet greatly increased demands for the popular publication.

The Commission has printed one million copies annually since 1964 and will seek funds to increase the order to two million in its 1969-70 budget request.

HENRIK E. Stafeth, state highway director, said that in the last three years the map supply has been exhausted within two to four months.

"We have imposed tight restrictions on our map distribution, but because of the greatly increased demand many priority requests have gone unfilled," he said.

The commission said it would use 200,000 of the additional maps in its information centers and to answer thousands of other individual requests presently denied when the supply runs out.

An additional 420,000 would be distributed to the Michigan Tourist Council, the state's four regional tourist associations, chambers of commerce and to other states for use in encouraging travel in Michigan.

OTHERS WOULD GO TO the Department of State, Police, Conservation and State, to the 83 county road commissions, and to others in direct contact with travelers.

Michigan is presently well below the average number of maps printed by other states. Ohio prints 3.5 million, Illinois 2.5 million, Minnesota and Wisconsin 1.0 million each, and Indiana 500,000.

Pontiac Northern squeezed out a 215-217 golf victory over Farmington despite the fact Tom Karski and Dave Kersson each shot a 4 at the Falcons.
