

Rights Laws Touch Off British Demonstrations

LONDON—Twenty non-white immigrant organizations moved Monday to organize a million United Kingdom non-whites in a combat "Racialism Alliance." One of their spokesmen warned that the nation's racial climate could breed a made-in-Britain hot summer. The immigrant groups drew up their plans for a Black People's Alliance at a Sunday meeting. As they talked, 1,500 demonstrators marched on 10 Downing St. to urge Prime Minister Harold Wilson to act against racialism.

Gary Fillmore Is Promoted To Captain

Gary L. Fillmore, son of Mrs. Nellie M. Fillmore, 105 S. Union, Plymouth, has been promoted to Army captain while serving as commanding officer with the Kaiserslautern Equipment Maintenance Center, Kaiserslautern, Germany. Capt. Fillmore entered the Army in February 1966 and arrived overseas in July of that year. The 24-year-old officer was graduated from Plymouth High School in 1961 and received a B.B.A. degree in 1965 from Eastern Michigan University, where he obtained his commission through the Reserve Officers' Training Corps program. Capt. Fillmore is a member of the Theta Chi fraternity and the Seaboard and Blade Society.
