

# Winner Kennedy, Lausche Share Spotlight

WASHINGTON -- Two victories by Sen. Robert F. Kennedy, an impressive showing by Richard M. Nixon and the defeat of veteran Sen. Frank J. Lausche (D-Ohio), highlighted five primaries across the nation last week.

Kennedy defeated Sen. Eugene J. McCarthy in Indiana's Democratic presidential primary.

Lausche was defeated by Cincinnati City Councilman John Lausche in the District of Columbia.

Republican candidate Nixon was unopposed and got an even larger Indiana vote than in the 1960 primary.

J. Gilligan, a former congressman who had labor support and the Ohio Democratic organization endorsement.

MARCH AIR FORCE BASE--Former President Eisenhower has sat in a chair for the first time since his heart attack two weeks ago.

His doctors said his condition is improving steadily but it is not certain when he can be released from the hospital.

## NATIONAL ROUNDUP

HOMINY FALLS, W. Va. -- It was reported that the spirits of the 15 trapped miners remained high during the middle of last week despite word that officials had been too optimistic in predicting their imminent rescue.

No word has been received from the men farthest into the mine when waters from an adjoining mine poured in last

Monday. They are believed dead.

WASHINGTON -- Senate-House conferees have agreed on a \$10 billion income tax increase and a \$6 billion cut in spending during the next year.

The tax would be in the form of a 10 per cent surcharge on

existing taxes, as President Johnson proposed.

The \$6 billion spending cut is the figure passed by the Senate, which Johnson said was excessive and against the national interest.

WASHINGTON -- President Johnson signed a bill last Wednesday to extend and expand the

national school lunch program.

The new law also provides \$22 million a year for the next three fiscal years to give the states assistance in setting up and expanding pilot food-service programs for children in nonschool activities away from home, such as day-care and recreation centers and Head Start programs.
