DATA PROCESSING SALESMEN The Future Is Now!

Are you presently making money commensurate with your ability? Is your present position challenging and do you have the opportunity for rapid advancement into management?

If not, why not call the Friden company for a personal interview and let us tell you about Friden's present and future position in the sale of data processing machines.

Friden now has machines from automatic letter writers to small-scale electronic computers. We have a large variety of accounting machines as well as paper tope to magnetic tape converters.

If you are an experienced-professional salesman, ideally in the business equipment industry, who feels that you have more to offer than your present affiliation demands, may we suggest a personal discussion with Friden. At Friden you will find enthusiarm, programs that demand creative thinking, and unlimited high income potential.

Evening and Saturday interviews arranged by appointment.
