

Form Election Study Group

LANSING -- Calling the present campaign expense reporting laws "meaningless and a mockery," Secretary of State James M. Hare has asked an 18-member Michigan non-partisan elections study committee to come up with a solution.

"We should either have a good law or none at all," said the state's chief elections officer under the constitution, Mrs. Pat McNamara, wife of the late senator, and Lansing television executive Raymond Plank co-chair the committee which held its first meeting here May 24.

Committee members are Elwood M. Bender of the Muskegon Community College political science department; Wayne County Circuit Judge George Bowles, former long-time state Treasurer; D. Hale Drake; and Detroit attorney and fund-raiser Avern Con.

ALSO SERVING are Detroit attorney Tom Downs; Michigan Jaycees President Patrick Dugan of Livonia; Rt. Rev. Richard S. Enrich, Episcopal Bishop of Michigan; Dearbornite Mrs. Margaret Forch of the League of Women Voters; and Detroit Douglas Fraser of the United Auto Workers.

Intensify Road Fund Collections

LANSING -- Michigan's Department of State is going to intensify through legal action its efforts to collect from uninsured motorists who under the law must repay the Motor Vehicle Accident Claims Fund, which compensates unprotected accident victims.

"We will take to court every case in which the uninsured motorist appears to be collectible, but who has refused or neglected to pay," said Secretary of State James M. Hare. Hare said lawsuits will be filed by special assistant attorneys general.

EVEN WITHOUT litigation, the Fund's own and outside adjusters have boosted collections considerably. This is indicated by the latest available figures (for February), which show repayment of \$24,784--more than 10 per cent of the \$241,613 collected in repayments since the law went into effect January 1, 1966.

"After more than two years of operation, the Fund listed at the end of February \$2,059,215 in receivables from uninsured motorists."

FROM THE beginning, more than half, . . . 57.9 per cent, . . . of all uninsured motorists have paid the state's claims in full or are repaying on installment. But these repayments were only 11.7 per cent of the cumulative total owing the Fund.

BOLENS

HUSKY 770

NO LONG LIST OF EXTRAS TO BUY

One price includes: all-gear transmission and differential, six forward speeds, power-take-off drive, fenders, seat cushion and many other features. When you buy a Bolens Husky, you're buying a complete, fully-equipped tractor. A Husky powers over twenty-five different lawn and garden attachments and serves as a complete and convenient system for year-round yard care. Before you buy any compact tractor, try a Bolens Husky first. Then compare.

F'ton '62 Grads

Plan Reunion

Members of the Farmington

Senior High class of 1962 have

planned a reunion for June 29

in the Bloomfield Center Hall

in West Bloomfield.

The organizers of the reunion

are seeking members of the

class.

Please contact one of the fol-

lowing: Ruth (Schultz) Frayer,

425-0651; Amy Beth (Haydel)

Knoy, 476-7072; or Kathy (Mac-

Kenzie) Devine, 476-1941 if you

have not been contacted.

WMU Honors

F'ton Students

Three Farmington students

at Western Michigan Univer-

sity have been named to the

state's list for maintaining 3.5

grade averages out of a possi-

ble 4.0 while carrying at least

14 hours of studies.

They are Sandra Ann Berry,

26218 Killarney, Gayle Ann

Humm, 31630 Lyman Rd., and

Alexa Larson, 23644 Powers

Rd.

College Moves Towards Arts Building

Schoolcraft College Trustees took another step toward construction of a Fine Arts building at its regular monthly meeting by authorizing the building committee to complete final screening of architectural firms.

The building committee had interviewed nine firms and recommended three: O'Neil, Hawlett & Luckenbach, Inc., of Birmingham; Perkins & Will, of Chicago; and, Tarapata, MacMahon, Associates, Inc., of Bloomfield Hills.

IN OTHER ACTIONS, the board approved the purchase of faculty office furniture in the amount of \$7,010 for the new Liberal Arts classroom building. The board also agreed to purchase \$13,599 worth of classroom furniture for the new building.

A low bid of \$10,945 was accepted for the installation of audio-instruction equipment in the library. The system includes four tape and two record channels.

The library received a little more open space this month when the Language Lab was moved into the new classroom building. The board approved the move for a cost of \$4,444.50, which included an addition of three new booths.

Another piece of furniture approved for the classroom building was a reconditioned Stainway piano to be purchased through Arnold B. Williams of Plymouth for \$3,500.

AFTER A GREAT DEAL of discussion, the board adopted a policy statement on the hiring and dismissal of employees.

Pack 167

Holds Fun Fair

Pack 167 held its monthly meeting May 17 in Highmeadow School. The boys held a Fun Fair to raise funds for next year's activities.

Achievement awards presented at the meeting included Chuck Horn, bear, gold arrow and three silver arrows; Angus McIntosh, dennis badge; Mark Muller, assistant dennis badge; Dennis Harden, gold arrow and two silver arrows.

All the additions dealt with the President's power to suspend employees to protect the integrity of the college.

It gave the President the right to suspend contractual employees with board review

to follow and the right to dismiss non-contractual employees for cause.

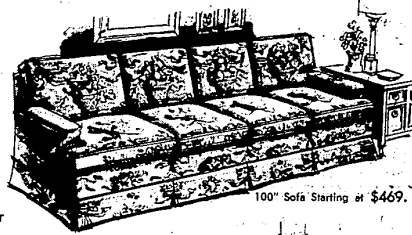

The board approved a new regulation on alcoholic beverages as requested by the Student Senate. The new regu-

lation reads: "The students of Schoolcraft College are expected to observe all state, county, and local laws governing the use and possession of alcoholic beverages."

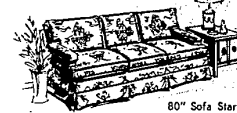

"All students are specifically forbidden to use alcoholic beverages or be under the influence of alcohol while on school property or at any schoolsponsored event on or off campus. Offenders will be subject to disciplinary action."

ENHANCING UPHOLSTERY By-the-inch!

Just as styling, comfort and fabric are of prime importance in your choice of upholstered furniture, so too must be the size. Good decorating demands proper proportion, which can not be accomplished without careful attention to the correct size furniture for your particular room . . . We, at Ray Interiors have something extra special to offer in this area by manufacturing, to your exact needs, our own line of upholstery. These finely hand-tailored pieces are offered in an almost limitless array of fabrics, colors and designs at very reasonable prices. Come in soon and consult with our professional Interior Designers. Don't settle for less than perfection. Budget terms, of course.
