BENTLEY 4, GLENN 1
Bentley, idle in the first round thanks to a bye, got off on a winning note by beating Glenn, 3-1, behind the three-hit pitching of Ken Grates.

Bob Cascardi walked and scored on Tim Malone's double to give Bentley a 1-0 lead in the first inning. Glenn got even when Bill Shellenbarger scored on Bill O'Connor's hit in the third.

Bentley promptly broke the deadlock when Ken Grates took two bases on an error and scored on Malone's second hit. In the fourth Bentley put together hits by Jim Powers, Dave

Rice, Bill Rice and Jim Schroetter to produce two runs and lock up the game.

Shellenbarger started for Glenn and was replaced by Ken Webb in the fourth. Grates had to work out of jams in the sixth and the seventh when the first two Glenn runners in each inning got on base. But they couldn't get around as Grates struck out four in the last two innings.

G.C. WEST 3, STEVENSON 1
A three-run barrage in the third inning, which Phil Childer's second pitching gem in 48 hours sent Garden City West into the semi-finals by beating Stevenson, 3-1.

Singles by Craig Sylvester and Chuck Evans, along with a fielder's choice on a disputed play at third base, loaded the bases for West.

One run scored on a long fly. Then Craig Wilson cracked a single to send in the other two.

Stevenson was blanked by Childer, until Phil Campbell tripled and Jerry Dettler singled in the seventh inning.

The losing pitcher was Paul Tommehacher, who suffered his only setback of the season after winning eight straight. He allowed five hits and fanned nine. Childer gave up four hits.

CLARENCEVILLE 3, WAYNE 2
A record-breaking strikeout effort by Bob Duman carried Clarenceville to a 3-2 victory over Wayne and into the semi-finals.

Duman set down 16 players on strikeouts—a high in the tournament. In addition he allowed only three hits.

Clarenceville got a run off loser Rog Houseley in the second inning when Henry Rifkin singled, stole second and third and scored on a wild pitch.

In the third the Trojans rallied twice when Bob Ridley walked, Carl Watkins singled, Rifkin was safe on an error and John Kutyman singled.

Duman kept Wayne scoreless until the sixth inning when he allowed one run. The final Wayne marker scored in the seventh.

Trojan Ace Wins Mile In League

Bryan Kent, Clarenceville High's brilliant middle-distance runner, added another major achievement to his record Wednesday when he won the mile in the Wayne-Oakland League meet.

Kent was timed in 4:23.9 to account for the bulk of the eight points Clarenceville scored in finishing sixth.

West Bloomfield captured the team title with 66 points as Terry Conley won both the 100 and 220-yard dashes.

Defending champion Bloomfield Hills Andover was second with 46 1/2 points, followed by Northville with 44 and Millford with 32.

Holly scored 17, Clarkston six and Brighton 4 1/2.

New league records were set in the long jump (20-10 1/2), Two Mile (9:52.3), 880-yard relay (1:31.35), 440-yard run (52.3) and 100-yard dash (10.1 seconds).

Rock Trio Qualifies In Tennis

Plymouth High has won three places in the state Class A prep tennis finals at Kalamazoo next Friday and Saturday.

Robert Cium has qualified for a spot in the singles while Bob Stover will team up with Steve Mogie to represent the Rocks in the doubles.

Cium along with Stover-Mogie took runner-up honors in the regional tournament won by Ann Arbor with 20 points at Ann Arbor.

Plymouth was second, with 17 points. Kalamazoo scored eight points, but didn't qualify a man. Neither did Farmington High.

Twin Takes Laurels In Star Meet

Special to Observer

KALAMAZOO -- Gary Williams, half of Farmington High's twin brother set, captured the mile in the Champion of Champions state track meet here Thursday.

He was timed in 4:23.8, beating out Rick Randall from North Farmington High, who was second.

Gary's brother Larry was second in the mile in 5:35, while North Farmington's ace high jumper John Mann had to settle for second despite the fact he soared sixteen feet.

Bob DeVries, of Erie-Mason, won 6-8 1/2, the highest ever by a Michigan prep. Mann had gone 6-8 1/2, tops for a Michigan schoolboy, two weeks ago.

Chris Brown and Russ LaFerre placed third and fifth, respectively, in the long jump and high hurdles.

No Umpire Win 'Lost' By Bentley

Athletic directors of the suburban Six League have ruled that Bentley High and Allen Park must make up a baseball game, which couldn't be staged two weeks ago because no umpires showed up.

Bentley originally had figured it was entitled to a forfeit victory under league rules, but the directors ruled otherwise.

The Livonians also have two other games to be made up in the league, but whether they'll be played will hinge on whether Bentley needs them to win the league flag.

Expanding schedules for teams in both leagues and falling attendance at both little games were given as two of the reasons for ending the battles.

Title Prep Games Killed In Detroit
Two major Detroit high school events—the Goodfellow city championship football game and the Detroit city basketball title encounters—will be staged no more.

Officials of the public and Catholic leagues made the announcement this past week, although it had been rumored for several months that the two games were "dead."

Expanding schedules for teams in both leagues and falling attendance at both little games were given as two of the reasons for ending the battles.

When Should You... STOP ADVERTISING WHEN

man becomes a creature of habit so thoroughly he will certainly buy this year where he bought last year...

WHEN
younger, fresher and spunkier concerns in your line cease starting up and taking "your customers" away through advertising...

WHEN
population ceases to increase and no new folks want to live and work in your town...

WHEN
you have thoroughly convinced everyone who ever has or ever will be in your store that they will now and forever get better buys from you...

WHEN
business principles reverse themselves and the non-advertiser does more business than the successful advertising merchant...

WHEN
men stop making tremendous strides in business through well-planned newspaper advertising...

WHEN
you can forget the words-of-wise merchants the world over who attribute their success to the wise use of newspaper advertising...

WHEN
you would rather have your own way even if you fail, than to follow sound advice and perhaps win success...

WHEN
you want to be rid of all the troubles of waiting on customers and are tired of making money!
