4-1 Help Wanted, Male
MISTER HIGH SCHOOL GRADUATE
(soon to be)
The Detroit Branch of NCR will hire several high school graduates next month. They will be sharp and intelligent young men who have a high aptitude in the Electronics and/or mechanical field.
These selected high school graduates will enter an intensive training program to prepare them for the professional career of an NCR Technical Service Representative. Their training (with pay) will include 17 weeks of one year of class-room instruction at modern NCR educational facilities, followed by on-the-job training in modern business systems. State labor permits will be obtained for 17 weeks of on-the-job training.
Their training and subsequent professional duties in Metropolitan Detroit will encompass all phases of the NCR business, including the sale of NCR equipment. This includes a COMPLETE LINE OF ELECTRONIC DATA PROCESSING EQUIPMENT. They will immediately participate in NCR's complete fringe benefit program which includes: 1. Health and accident insurance. 2. Pension plan-all fringe benefits are 100% company paid.
If drafted into the military service either during or after their training, they will be given priority after discharge. Time in service will count toward their NCR career.
Their weekly pay after training will be \$14.50 and continue into a five figure income. This compensation will increase commensurately with the Cost of Living Index.
These selected young men will be embarking on a technical professional career with a permanent position with a company that was founded in 1884 and is constantly growing-especially in the field of electronic data processing.
They will represent the cream of the crop of applicants for this training position. Their hire will be based upon aptitude as opposed to practical experience.
Interested young men will be interviewed and tested between 8 A.M. and 1 P.M. Monday through Friday, after 6 p.m. on Saturdays. THESE INTERVIEWING PERIODS ARE PRIOR TO OR SUBSEQUENT TO GRADUATION. Apply in person, wearing coat and tie. You need not phone for an appointment.
