Interest Rate Increased On Savings Bonds

AUSTIN, Tex. — President Johnson has announced an increase in interest on all outstanding government Series E and H savings bonds from 4.15 to 4.25 per cent and on "Freedom Shares" from 4.74 to 5 per cent, effective last Saturday.

MIAMI — An early season tropical disturbance with gale force winds spawned Sunday off the western tip of Cuba and was reported heading toward the southwest coast of Florida. The storm, christened Abby, was expected to strike the shore just south of Fort Meyers. The storm had not reached hurricane force, although weathermen said there was a possibility that it might become the season's first.

NEW YORK — The AFL-CIO United Steelworkers Union opened talks with 11 major steel producers Monday, after signing a new three-year pact covering half the nation's plant-

with four other men on anti-draft conspiracy charges, said on the witness stand he had never conspired to break any laws nor had he ever advocated the burning of draft cards. On trial with Coffin are Dr. Benjamin Spock; Michael Ferber, a Harvard graduate student; Marcus Raskin, co-director of the Institute for Policy Studies in Washington; and Mitchell Goodman, an author and teacher.

WASHINGTON — A nationwide strike by Western Union employees was narrowly averted last week when a contract agreement was reached just 35 minutes before the walkout was due to begin. Under the settlement Western Union workers, except messengers, will receive a three-step pay increase—5 per cent in 1968 and 1969 and 6 per cent in 1970.

BOSTON — Delegates to the American Baptist Convention

National News Round Up

have adopted a resolution calling for liberalization of abortion laws, stating that abortion "should be a matter of responsible personal decision," the resolution called for legislation providing that "termination of a pregnancy prior to the end of the 12th week be at the request of the individual concerned and be regarded as an elective medical procedure governed by the laws regulating medical practice and licensure."

HOUSTON — The Texas Democratic primary Saturday nominated Preston A. Smith for governor. The result will put conservatives back in control of the party in Texas after six years of leadership under a moderate, Gov. John B. Connally Jr. Connally is expected to continue to control the party until after the National Democratic Convention in Chicago, where Texas will have 104 votes. Smith said he planned to assume control of the state party in September. He won the nomination for governor by a wide margin, easily defeating Donald H. Yarborough, an attorney making his third race for governor.

QUANTICO, Va. — Marine Cpl. Stanley L. Luckzo, Jr., 22, has been convicted of voluntary manslaughter in the fatal shooting of an elderly Vietnamese woman while Luckzo was on patrol. The maximum sentence would be 10 years at hard labor and a dishonorable discharge. A Marine legal officer said that character references from Luckzo's neighbors in Gardner, Mass., plus his "outstanding" service record could weigh heavily in his favor.

EASTON, Conn. — Helen Keller, a blind deaf-mute who became one of the great women of the 20th Century died Saturday at her home at the age of 87. Despite her handicaps, Miss Keller graduated from college with honors, became a humanitarian, author, lecturer and world traveler, primarily in behalf of the blind.

NORFOLK, Va. — As hope for the missing submarine USS Scorpion, lost last week with 99 men aboard, dimmed almost to the vanishing point, the Joint Congressional Committee on Atomic Energy announced it has started an investigation into the sub's disappearance. An extensive search for the ship is still underway in the Atlantic, concentrated near the Azores. The last message received from the sub was radiated from south of the Azores May 31.
