

How To Run For Supervisor

Do you want to run for supervisor on the reapportioned board of Wayne or Oakland County?

It may be difficult to win if the field is tough, but it's not difficult to get on the ballot.

You must file petition signatures with the county clerk by July 2 at 4 p.m. (Ordinary filing date for most partisan offices is July 18).

How many signatures will you need? At least one per cent and no more than four per cent of the vote your party's candidate for secretary of state got in 1966.

IT BREAKS DOWN THIS way on signatures:
Wayne Dist. 19 (Redford Township and north part of Dearborn Heights)--Republican 222 to 886; Democrat 127 to 506.
Wayne Dist. 26 (Livonia, Plymouth, Northville, Canton)--Republican 200 to 796; Democrat 171 to 683.
Oakland Dist. 17 (south Farmington)--Republican 63 to 212; Democrat 61 to 244.
Oakland Dist. 18 (north Farmington, West Bloomfield)--Republican 68 to 272; Democrat 48 to 191.

TO RUN FOR THE office, you must be a qualified voter--21 years of age, a resident of the district you are running in, U.S. citizen and resident of Michigan six months.

Be careful when circulating your petitions. Use a different petition form for each city or township in which you are circulating.

For example, if you're running in Oakland's 17th, use one set of petitions in the City of Farmington and another in Farmington Township.

How much money you spend campaigning?

You have two optional rules: (1) 25 per cent of one year's compensation as supervisor or at least \$100; (2) or \$40 per 1,000 votes cast for your party's candidate for governor in the last presidential election (1964).

Candidates will be nominated in the Aug. 6 primary. Republican and Democratic candidates will appear off in the Nov. 5 general election.

THE NEW DISTRICTS were set up under a U.S. Supreme Court ruling and state law requiring "one-man, one-vote" apportionment of county boards of supervisors.

Oakland County will elect 27 members; Wayne, 26. City and township officials will be ineligible to hold both their local offices and a county supervisor post at the same time, according to a ruling by Atty. Gen. Frank Kelley.

That means a candidate will be able to spend at least \$4,500.

THREE AREA CITIES may have a chance to keep their part-time municipal councils. The city councils of Livonia, Garden City and Westland have that option because each city constitutes a single judicial district.

They will have until seven days after Gov. Romney signs the bill to make their decision. As of late last week, the governor hadn't signed it.

Under the lower court reorganization, Redford Township will constitute a single judicial district but won't have the option of exempting itself because it has no municipal court.

Farmington city and township will constitute a single district. Plymouth city and township, Northville city and township and Canton Township will be another district.

The court reorganization, required under the 1963 Michigan constitution, wipes out city municipal courts and justice of the peace courts. Detroit's lower court system, however, if left intact.

THE TROUBLE is that the districts are all new, and no official tally for all the districts has been made in Lansing yet.

You may pay your money at the Elections Division office, New Treasury Building, Walnut and Allegan streets, in Lansing. Deadline is July 2.

If you win or place second, you get your \$100 back.

Campaign expenses will be limited to one year's salary. Each judge is guaranteed a salary of \$18,000 by the state, plus whatever his local district may want to pay.

that corporations must file copies of their annual reports with the State Revenue Department.

Acting under the Public Service Commission of the Department of Commerce.

It was among dozens of laws the governor signed as the Legislature passed a flood of bills a week ago prior to taking a recess.

The trucking bill transfers the weighmaster section of the Highway Department and the commercial licensing enforcement function of the Department of State to the PSC.

Romney estimated the change will save the state \$125,000 a year.

ROMNEY ALSO signed bills that will:

• Authorize state restrictions on commercial pesticide applicators, including kinds of equipment or pesticides used.

• Permit annual readjustment of salaries of county drain commissioners, to reflect cost of living changes or work-load increases.

• Increase the minimum pension benefit for state employees with 10 years of service from \$40 to \$60 a year, not to exceed 30 years.

• Establish a two-year term for members of boards of review.

• Allow counties to contract with other counties for use of a jail.

• Eliminate the requirement

for a license under the uniform narcotic drug act.
