Poor People's Head Arrested In Washington

WASHINGTON—The evacuation of the Shantytown campsite began Monday with police closing down Resurrection City and making mass arrests of members of the Poor Peoples Campaign.

Police action resulted when a handful of inhabitants who were left behind by the marchers to the Capital ignored "a get out or get arrested" ultimatum. The Rev. Ralph Abernathy was arrested a mile from the foot of Capitol Hill when he insisted on leading his followers to the steps of the Capitol. The Abernathy march numbered about 350 persons.

The White House said President Johnson agreed with the decision to close down the Poor People's headquarters.

COLUMBUS—Hundreds of prisoners armed with pipes and broken bottles went on a destructive rampage Monday at the Ohio Penitentiary, setting 10 major fires and attacking guards. Prison authorities report eight guards were injured and one suffered a heart attack. Three guards were held hostage by the convicts but managed to escape.

About 100 police armed with baton-tipped riot shotguns rushed the prison yard and made their way to the hospital.

Mass. — Remi Brooke, 19-year-old daughter of Sen. Edward W. Brooke, first Negro elected to the Senate since Reconstruction days, was married in a Catholic ceremony to Donald K. Hasler, son of a white machinist.

Performed at the senator's summer home, the ceremony was attended by 300 guests including Gov. Nelson A. Rockefeller of New York, Sen. Jacob Javits of New York, Sen. Charles Perry of Illinois, and Gov. John A. Volpe of Massachusetts, all Republicans.

WASHINGTON — Three Republican senators have voiced opposition to any effort by President Johnson to replace a new chief justice of the Supreme Court after Earl Warren steps down.

Sen. Robert P. Griffin, R-Mich., Sen. John G. Tower, R-Tex., and Sen. Strom Thurmond, R-S.C., agreed that a "stale duck" president cannot designate leadership of the Supreme Court "without affronting the American people." Warren was appointed by President Eisenhower.

LAFAYETTE, Ind. — Allan Irvine expected his wife to have

where fires had broke out. The prison physician was trapped on a roof and had to be rescued. Eight hundred Ohio National Guardsmen were called in to stand by.

WASHINGTON — President Johnson has signed into law a strong Crime Control bill authorizing wiretapping, some confessions in federal criminal trials, and restrictions on gun sales. Major provisions include:

• Five-year program to improve with federal grants the training and equipment of state and local police.
• Making firearm possession illegal for felons, mental incompetents, aliens illegally in the country, Americans who have renounced their citizenship and wiretaps who receive other than honorable discharges.

WASHINGTON — Mrs. Martin Luther King has announced her "Campaign of Conscience" as a national organization for women with the same objectives as those voiced by her late husband, Dr. Martin Luther King. The womanpower movement is working for social justice and against the Vietnam War.

She urges women to fight "the three evils of racism, poverty, and injustice" and to do so nonviolently. "For the means must be in keeping with the ends."

NEW HALL, Calif. — Two brush fires scorched 32,000 wooded acres in the Angeles National Forest last week. The fires, just north of Los Angeles closed a major traffic route for eight hours, interrupting telephone and television service.

Five of the 1,600 firemen were seriously burned when they were trapped in a fire storm. No other injuries were reported.

MARTHA'S VINEYARD, —

quadruplets but said "it's still going to take some adjustment." His 26-year-old wife, Francis, gave birth to four boys in a span of 92 minutes. The new-
born weighed from two pounds 13 ounces to three pounds four ounces. The quads are doing fine, hospital spokesmen said.

READING, Pa. — A twin engine plane crash near Centerville, Pa. took the lives of seven persons last week. One witness reported that the plane "outlined by flashes of lightning roared to the earth in a tailspin. Upon impact, it burst into flames 'that lit up the sky.'"

NEW YORK — A pro-Zionist audience booed a Moscow rabbi off the stage at Hunter College last week. Rabbi Levin, 74, chief rabbi in Moscow, delivered his address in Yiddish until he was jeered unmercifully off the stage. Several listeners refused to believe that Soviet Jews were treated well, as Levin's talk indicated.

CHESTERFIELD, Ohio — Alleged racketeer Pete Digravio 42, was shot in the back as he stood at the 16th tee of the Orchard Hills golf course. Sheriff Louis Robinsky said the killing was "very professional." Digravio was in a foursome. No one else was injured by the sniper, who used a high-powered rifle from his hiding place in a near-by woods.

PITTSBURGH, Kan. — Patricia J. Stanford, 17, was killed when she tried to throw an illegal M-80 firecracker out a truck window. The explosive apparently fell into the truck, she and James H. Culberty, 17, had just left a drive-in restaurant in a pickup truck when the accident occurred.
